**WELCOME FROM OUTFRONT CATTLE SERVICE**

Howdy! As everyone in Aggieland says! Welcome to the 25th Anniversary Sale of Excellence! It’s hard to believe that several breeders, Ervin Kaatz, and myself met in Houston some 26 years ago after the CAT Sale in Houston to design and plan this event. It’s probably one of the longest consecutive consignment sales in the breed. For most of those years, it has been one of the top five sales in the breed.

Only Arlitts and Evans remain from the original group that started the sale. Since the only constant thing is change, it shows the sales have endeavored to stay current and progressive. The commitment from Arlitt and Evans to place 15 lots each year of high-quality cattle speaks volumes to the quality of cattle they produced. Could you place 15 of your best every year and keep your operation functioning at its best? (That’s 375 head!) They have also found cattle they could purchase at the sale that helped their herds! Many others have joined for a multiple of years, Hudspeth Farms, Lehmann Cattle Co, Bella Angel Farms, Sparkman Cattle Co, DeBruycker Charolais, Aristo Farms, & Fink to mention a few. We’re very pleased to have them offer some of their very best as well! Many of the cattle that have sold in this sale have gone on to have major influences around the U.S.

As you study the catalog, I think you will find some awesome cattle to invest these genetics into your herd. Plenty of high ranking EPD cattle, some tremendous performance cattle, some highly bred for carcass, and even cattle with show-ring appeal. With a broad assortment of consignors and genetics, you have an optimum ability to find something that will fit your program!

Most importantly, is the value of being with great Charolais people, learning, visiting, eating, and enjoying the whole atmosphere of the sale. Our “Fun Auction” is the only one of its kind in this breed or maybe any breed? Everyone enjoys it and the “neat” consignments offered in that sale. There are some great competitions in the bidding in this sale also! We also have fun plans this year to celebrate with a “Big Golf” adventure Friday morning for young and old. I’ve gone with my grandkids, and it was a blast! You don’t have to know anything about golf to participate! Bovine Elite will again offer a 10% discount on any Charolais semen purchased and paid for on Friday morning! Bring your semen tank as some of the embryos will be available to pick up on Saturday.

Come, evaluate, visit, have fun, and enjoy a great weekend!

Sincerely,

*Dennis Adams*

# THANK YOU for supporting our youth Charolais associations!

**B2011 has been an awesome addition to the breeding program of Arlitt, Evans, and Rocking S Ranch.** She has over 65 progenies on the ground and registered with AICA. She was the "Pick of the DeBruycker Herd" in the 2017 Sale of Excellence. The minute they saw her in the pasture as a bred, 2nd calf coming fall calver, they knew immediately she was the one out of the cows they had looked at for 2-solid days! Then when they discovered she was a Cigar and out of a featured donor cow, R120 of DeBruycker's that confirmed the choice. That fall calf in 2017, became a \$9,500.00 purchase in the 2019 Sale of Excellence! She has also been an awesome embryo producer, many times producing over 20-25 conventional embryos per flush!! Many of her progeny has topped sales the last few years, bulls and females, and she continues to be a very solid, sound, good milking, fertile, Donor!

***This has been a highlight of the Sale of Excellence for many of the 25 years!***

*They have only skipped a couple of years, but the cattle selected from their herd have been monumental to the Charolais Industry. From the very first LHD Mr Perfect Y416 daughter to Camp Cooley for \$25,000 to many Cigar daughters, Cobalt cows, dams of their herd sires, like the last one, BHD Ms Cobalt Z767, at 8 years of age still commanded \$20,000.00. She was the dam of DC/BHD King F2503 P, that has had a major impact on the breed. Then her son that DeBruycker kept, DC/BHD Shazam sired the two top selling bulls in the 2023 bull sale at \$60,000 and \$35,000 to LT Ranch. Some of those "picks" generated interest in herd sires, like DC/JDJ Pegasus D3330, the sire of Shazam, or sires like CJC Mr President T122 whose daughters continued to be admired for their productivity and his sons for pure power and thickness. An easy one to remember, DC/CRJ Tank E108, that is used heavily all over the U.S. Another great "pick" was the last Cigar daughter, JDJ Ms Cigar B2011 that has a large number of progeny and influence in the sale this year. What a great one she has turned out to be for the breed. There are lots of opportunities in selecting from, if not the largest Charolais herd in the world, one of the largest. It takes plenty of time to look over all the cattle, but if you enjoy a scenic environment to make your selection and great hospitality from the DeBruyckers, then it's a once in a lifetime opportunity! Selection should be made by August 1, 2024.*

## Your Invitation

### Dear Charolais Friends:

Welcome to the first annual "Sale of Excellence". A new offering of Charolais cattle from some very dedicated Charolais breeders who emphasize quality as a very basic requirement. The cattle presented are outstanding in terms of pedigree, EPDs, performance and soundness. Your hosts and guests have invested a lot of money into the top herds in the U.S. to develop the cattle represented in this sale. If you look at the sale reports in the *Charolais Journal* you will find most of the consignors listed as purchasing some of the top-selling lots in countless sales. Their goal was to be able to breed and develop the very best of these top cattle so they could make this astounding offering available. These breeders have long-term goals that commit to being here year after year to support the breed by offering only Quality Charolais. They will be here to guarantee and support the cattle they sell.

This sale was also planned to emphasize family involvement. A very special event for everyone will be the "Fun Auction" that will take place after the cattle auction. For every dollar spent in the cattle auction, buyers will get an equal amount of "play money" to spend on very unique gifts, toys and special items of interest. The whole family gets to be involved. This should be a great deal of fun for everyone and a time to relax and enjoy good Charolais hospitality as well. Some great meals are being planned in quantity. For those who would like to attend the Saturday night Mesquite Rodeo, plans are made to attend this event as a group. Your hosts want you to enjoy this event so much that it will always be on your schedule each year to attend for good cattle and good fellowship.

If we can be of any assistance in making plans to attend, including picking you up at the airport (just let us know of your flight times), we will do everything possible. We hope you will honor us with your attendance.

Best regards,  
 Dennis Adams

# PAYWEIGHT STARTS

## HERE

The power of payweight starts with a registered Charolais bull. Superior weaning weight matters in your operation, and every pound translates to profit. Rely on the Payweight specialist to deliver more dollars per head per calf weaned.

**To make a difference on your next calf crop, start with Charolais.**
