• Offering 50% Embryo Interest with option to double the bid and receive 100% Interest.

• Dam of the famous Baldridge Sweetheart 7M and maternal sister to the many times AICA Multiple Trait Leader Baldridge Fasttrack 82F. Sweetheart 444 has proven herself as one of the elite producing donors in the Charolais breed with both industry leading sons and daughters. One such daughter is the great donor Baldridge Sweetheart 7M, the dam of National Bull Calf Champions, National Heifer Calf Champions, as well as National Champion Carload of Bulls in Denver. #444 calved recently and currently resides at Polzin Embryo Center where she is ready to begin producing embryos for her new partner or 100% owner. This donor has a unique combination of a beautiful phenotype, and an EPD profile with four traits that rank in the top 3% of the entire Charolais breed. Partner up or take full interest in her and step into the future! Baldridge Sweetheart 444 sells with a 20 embryo guarantee if flush work is completed at Polzin Embryo Center within the next 12 months!

2009 Grand Champion Denver Carload-All sons of 7M

WC CCC Full Metal Jacket 1127-$15,000 ½ interest son of 7M
Choice of Supreme X01 Daughters

These two Supreme daughters are the first of his progeny we will sell. His calves are STOUT, STOUT, STOUT!!!! If you want to have foundation females who can compete in the showing and then lead your donor program, here is your opportunity. We have incorporated a touch of HooDoo in our program and this is where it seems to really work. The descendants of the Z0116 cow have maternal design with power and dimension.

• Greg really had to do some convincing for us to consign this heifer to the Northern Exposure Sale and only to increase our presence in this sale we host, do we part with her. We certainly like the versatility of her pedigree. She stems from the powerhouse 20116 cow and her dam X02, a donor that is truly attractive, wide based and one that will lead our donor lineup for years to come. When you combine the maternal history of the 20116 HooDoo donor with Diablo’s dam CML Pld Wilma 35, you are assured of a history of cows who can generate substantial income. Combined, these two cows have sold over $150,000 in progeny and embryos. Only once into the show ring and already a division championship. 2013 Iowa State Fair class winner and Spring Calf Champion!

Presented by Summit Farms
Two full sisters to the great TR Ms Smokette 6758S ET who was the 2007 National Champion Female and the Triple Crown Champion, winning Kansas City, Louisville and Denver. She was recognized early as "a great one" when as a weaned calf topped the 2006 National Charolais Sale at $25,000. Smokette went on to raise the Grand Champion Steer at the Ohio State Fair in 2012. Smokette recently sold at 10 years of age in the Embryos on Ice Sale in Denver for $24,000. The T07K cow family has also produced the great CC Katelyn 8107 who won the Supreme Championship at the 2010 Minnesota State Fair and raised WDZ CC Kade, the 2012 Breeders Classic Champion Bull in Kansas City this past fall and the 2012 Junior National Grand Champion Bull.

Presented by Coudron Charolais & Thomas Ranch

- EPDs: 3.7 0.4 20 31 1 3.2 11
- This mating combines the bone and muscle of Sanchez and the style and balance of Twizzler. Tremendous performance wrapped in an attractive package. Twizzler’s first calf was a 2012 Top Ten Show Female of the Year and recently sold for $13,500. Another calf was named the Reserve Champion at the 2013 Black Hills Stock Show.

Presented by Zehnder Cattle

THREE FROZEN EMBRYOS
DIABLO X PZC TR BOMSHELL STOMP O30 PET

- These embryos are sired by the powerful Diablo and out of a full sib to the many National Champions; Firegirl, Turton, Ivory Angel, Rapid Fire and Bomshell. These three embryos sell with one guaranteed pregnancy.

Presented by Adrian Harris
These two full sisters are something special! They would be full sibs in blood to the $25,000 Wrangler x Firegirl daughter that Nate Suttles consigned to the Northern Exposure the year after Firegirl was named the National Champion Female. Brooklyn started to make a name for herself with the four Keys Ten-Acious heifers that Chad Zehnder and Wild Indian Acres consigned last year to the Northern Exposure and the Ten Grand Sale in Kansas City, that sold for $11,000, $4,000, $3,300 and $6,000. Wrangler is making himself a “go to” sire for leading producers as time goes on.

- Here are two full sisters that will catch everyone's eye! #210 caught many breeder's attention in Texarkana during the Jr. Nationals because she is big-footed, long and has extreme rib shape. Her full sister #301 is no exception to those traits, she will follow suit.

Brooklyn 939 is a full sib to Rapid Fire, Turton, Bomshell, Ivory Angel and Firegirl from the infamous Thomas Ms 0641! She has been busy the past year making embryos in partnership with Polzin Cattle that have been in high demand. With the National Champion Montezuma as their sire, these heifers are bred to be champions.

• A very nice, feminine daughter of the National Champion with great hair and an excellent fluid movement. She is well put together, with plenty of eye-appeal. These Northern Wind daughters are really starting to get noticed and doing very well in both the show arena as well as raising some great calves. This heifer has a great disposition and is being handled daily by a young 4-H’er.

Presented by Flying JRL

• This is a really classy, moderate framed heifer out of the 2012-13 AICA number 4 ranked Show Sire of the Year. We are impressed with the qualities that Northern Wind is putting on his progeny and this heifer is no exception. She is a ¾ sister to our first lot, also with good hair and super easy moving. She’s one that will take you places.

Presented by Flying JRL

• Here is a moderate framed young April calf with a deep rib, great hair and the same fluid movement that Northern Wind is passing on to his calves. The dam’s maternal grandsire is the hot Keys Ten-Acious that was the sire of some of the high-sellers in last year’s Northern Exposure.

Presented by Flying JRL

**RJB TYGRESS 301 ET**
01/29/2013 ERF706747

**BW:** 87 lbs

- This moderate January percentage heifer will get the action when she walks into the ring. Her sire is of course the popular Believe In Me and her dam is the equally popular 2008 Junior National Division Champion WDZ Tygress 7060. A stacked maternal pedigree with Miss Mary G009, the dam of National Champions; Ms Wind 448 who sold in the Northern Exposure Sale years ago $12,000 for half interest and Baldridge Elvira 103H a $24,000 female.

*Presented by RJB Cattle & Stony Brook Livestock*

Full brother to Lot 43

**KC MS MONOPOLY 7A**
03/17/2013 ERF706723 POLLED

**BW:** 92 lbs

- A full sib to this Monopoly heifer was the 2012 Junior National Reserve Champion Prospect Steer in Nebraska. This smoky percentage heifer will have friends sale morning. Her dam KC Savvyanna BW ET won seven jackpot shows in Minnesota and was the Grand Champion Female at the 2010 Minnesota Beef Expo. Six full sib embryos to this heifer sold for $4,200!

*Presented by Kathrein Charolais*

Full sister to Lot 43

**WHITE ROSE 308**
05/13/2013

**BW:** 76 lbs

- This is a very young May percentage show heifer prospect that is very upheaded, level topped and good hipped. Her dam is a first-calf-heifer daughter of the great LT Bridger and this cross heifer should make a really nice cow after her show days are over.

*Presented by White Rose Charolais*
• Hoo Doo “Houston” 360 is the dam of the Grand Champion Steer at the 2011 Houston Livestock Show and Rodeo and sold there for $300,000. “Houston” is the smoothest shouldered, most complete HooDoo female we have seen. This powerful, proven donor has the ability to make major champions with either mating. The Monopoly x HooDoo matings have created numerous champions and high sellers. Man Among Boys offspring continue to take the industry by storm, creating more and more excitement. Help yourself here!

Presented by Thomas Ranch, Polzin Cattle & Jim Scheel

• Whether hoping for a herd sire candidate, donor female or show prospect; this mating has the potential to grant your wishes. Unique pedigree on both sides, the resulting progeny offer mating flexibility. Sydney Zehnder campaigned a T077 daughter this spring and summer, garnering two Reserve Supreme banners, an AIJCA Class Winner and gaining the attention of cattlemen in and out of the Charolais breed. The dam of these embryos topped the 2012 Sonderup Sale at $10,000.

Presented by Zehnder Cattle & Wild Indian Acres

• These embryos are sired by the Reserve National Champion Rapid Fire, the full brother to the National Champion Females Ivory Angel & Firegirl. The dam is the famous donor that Hansen Farms purchased for $10,500 in 2009 and has produced two heifer calves sired by the full brother to Rapid Fire and a National Champion Turton, that have sold for a $28,000 average!

Presented by Wild Indian Acres

• Two more embryos sired by Rapid Fire the Reserve National Champion and these embryos are out of LT Blue Ballerina 9405, one of the few breeding age females to ever be sold out of the famed Lindskov-Thiel herd. She was a Division Champion for Abbey Thiel at the 2010 Junior Nationals in Sioux Falls. A flush in her dam sold for $8,000 in the 2011 Charolais in the Rockies sale in Denver.

JRL Ivory Ribbons N Lace 1106 - Many time JRL Grand Champion Female and daughter of Northern Wind.
Never before has Summit offered to open the gates to all of their E.T. calf crop. This is your opportunity to select a herd sire or heifer calf out of all of their 2014 spring born E.T. calves. They have put in over 100 embryos this past summer, so you will have a big group to select from. The donors and sires represent some of the Charolais breeds most innovative genetics. The Summit donor lineup has been assembled with maternal value and power in mind. These cows were mated so the resulting progeny will appeal to cowmen and showmen alike. And don’t . . . forget, this is one of the only opportunities you will have to purchase progeny out of Supreme and Encore!

Terms: If you select a bull calf, Summit will retain one-half semen interest and will be open to showing the bull calf with the new owner. If you select a heifer calf, Summit will retain the right to one successful flush (eight viable embryos) at the new owner’s convenience. Selection must be made by August 1, 2014.
