VIEWING CATTLE:

Sale cattle entered in the ROE Show are on display throughout the Charolais Barn. Additional live lots will be displayed in the pens adjacent to Justin Arena located in the Richardson-Bass Building. At 2 p.m. sale day, all cattle will be displayed in the pens.

Watch for available videos at www.CharolaisUSA.com.

Contact Wes or consignors for selection or trucking arrangements.

RELEASE OF SALE CATTLE:

All sale cattle will need to obtain releases from FWSSR Charolais Superintendents: Matt Carter, Jackie Davis or Alan Grider.

HEALTH:

All cattle sell with proper interstate health certificates.

SCHEDULE OF EVENTS:

Thursday, January 31 – Cattle Available for Viewing

Friday, February 1 – Sale Begins at 3:00 PM in West Arena

Following Sale – Charolais Association of Texas Meeting

Saturday, February 2 – National ROE Show at 4:00 PM

A map of the state of Texas is shown in the background. Overlaid on the map is a photograph of a cow in a field. The text 'Charolais Association of Texas' is written in a blue, serif font above the word 'COWTOWN' in a large, bold, blue, distressed font. Below 'COWTOWN' is the text 'Cattle Drive Sale' in a blue, serif font.

Charolais Association of Texas COWTOWN Cattle Drive Sale

On behalf of the Charolais Association of Texas Sale Committee, I would like to welcome you to our "Cowtown Cattle Drive Sale." We are excited to be working with our sale manager Wes Chism of JWC Marketing. We have worked with Wes to put together an elite set of cattle and genetics that should get your blood pumping. Take a look at our offering and we think you will agree, there is something for everyone! The influence that Charolais genetics are having on our industry cannot be overlooked. The purchase of a Charolais bull or female is the best investment a cattleman can make. No other breed is as versatile or will pay for themselves quicker. Regardless of the role you play in the industry, you can have confidence in this set of cattle and consignors! If you have any question, call Wes, myself, or any of our consignors.

Sincerely,
David Skeans

Friends and Fellow Cattlemen,
It was my pleasure to serve as the AICA Southwest Field Representative for 5 years before more actively pursuing my passion for livestock marketing. I established JWC Marketing to provide producers of all sizes with a complete suite of tools and marketing solutions in the ever-changing world of purebred livestock production. I am humbled to serve as your Sale Manager for the 2019 Charolais Association of Texas Cowtown Cattle Drive Sale and to have the opportunity to work with the Charolais breeders of the Southwest once again.
It is now my honor to invite you to the annual CAT Cowtown Cattle Drive Sale. There is no better place I can think of to have a Texas Charolais sale than the Ft Worth Stock Show and Rodeo. CAT and the consignors have worked hard to bring together this amazing set of cattle for your appraisal. I believe there are cattle here for everyone, no matter where you are from, the direction of your program, or your individual tastes.
If there is anything that myself, consignors, or sale staff can do to help, do not hesitate to ask.

Sincerely,
Wes Chism, JWC Marketing

Charolais enthusiasts throughout the country have heard of the famed Camp Cooley program and it doesn't take long to see its influences throughout the breed today. When Scott called and said that he had a female from the Cooley Ranch that he wanted me to see, I went and looked. Ms Cooley Jordan 934U2 is a complete, elegant female that has earned her donor status the hard way by imparting that eye-catching phenotype in all her daughters. If you are looking for that outcross pedigreed female who can bring something different to your herd without sacrificing eye-appeal look no further! Seller guarantees 6 frozen embryos or more, flush work to be done at OvaGenix, College Station, TX.

If an opportunity to flush wasn't enough, Scott has offered the right to pick from his Ms Cooley Jordan 934U2 daughters by WR Mr All Day 30B, a Keys All State 149X son. What a set of heifers they are! Stout, soft made, big ribbed, and as consistent a set as you could hope to find. It won't be easy to settle in on just one female to take home. This fancy set of heifers have been bred to LT Affinity 6221 Pld, the \$100,000 high selling bull from the 2017 Lindskov-Thiel Bull Sale. With Scott as your guide, you will enjoy making this pick!

Patsy Bell 527 was Aces Wild Ranch's choice of the entire M6 Ranch Dispersal in 2017, and she has since become the crowd favorite at AWR. A pedigree built on performance and power cows, she has the phenotype to match. As just a first calf heifer, she commanded \$18,500 and has proven her worth ever since. She has also proven to be an over achiever! Her first 4 heifer calves have averaged \$6,750, and she is just getting started. They invite you to stop by the stalls in Denver and Fort Worth and check out her calves by Cool Cub! Seller guarantees 6 frozen embryos or more, flush work to be done at Stroud's ET Center, Weatherford, TX.

Cowtown is the only fitting place to offer this female's first flush to the public! Her maternal granddam, Creek Cut Greta 576, is an impressive individual still at 13 years of age in the Ridder donor program. 576 is the rare combination of power and performance along with calving ease! Sired by Grid Maker and out of the former Reserve National Champion Female, RLL Goin' Places. Now on to Greta

7022's dam, RF Greta 96Z. Derek believes she was the most impressive female to ever walk the pasture at Ridder Farms and a former sale topper! 96Z garnered her fair share of accolades on the tanbark as well. She was sired by the National Champion Fire Water and she never lost her division at the majors including Junior National and was named 2013 MO State Fair Champion Female! Unfortunately, she was lost at a young age to an accident and she had few calves.

RF Greta 7022 is one Derek feels is going to continue this great cow family and replace Greta 96Z. Greta 7022 was named the 49th National Calf Champion in Denver competing against an outstanding set of calves. She is a physically impressive individual, so good in her shoulder, an incredible build and a bold rib cage design. You would be hard pressed to find a bigger bellied bovine than this one. This is a female that can fit the bill for whatever your program's goals are. Study her design, study her pedigree, but don't be caught sitting on your hands when this one enters the auction ring! Greta 7022 is entered in the show and will be on display in Ft. Worth. Guarantee of 6 embryos with a cap of 10. Anything above 10 will be split between buyer and seller.

Presented by: Stierwalt Cattle, Leedey, Oklahoma, Ky Stierwalt 580-302-3005 & Ridder Farms, Hermann, Missouri, Derek Ridder 573-680-4692

M&M Ms Stealth 9509 Pld has a legacy to boast. Despite grabbing the attention of every visitor to the legendary M&M Charolais herd, her moment in the national spotlight didn't arrive until she was selected as Pick of the Herd by Polzin Cattle. Her choice in the 36th National Charolais Sale commanded \$20,000 as Chris held off contending bidders. Since becoming a key donor for Polzin Cattle, 9509 has captured the interest of cattlemen nationwide and her progeny have garnered top

dollars. Half interest in 9509 commanded \$45,000 at the 2017 Embryos on Snow Sale in Denver to Grand Hills of Colorado. Not only does she have the phenotype and reputation, she has a pedigree dominated by powerhouses of the breed. Her sire, DR Stealth 574, is a Reserve National Champion bull who himself sold for \$27,000 in the National Charolais Sale and went on to sire countless proven females for M&M Charolais. Her dam is none other than the famous Baldrige Sweetheart 7M, whose influence can be seen throughout the breed and most recently made famous by Wright Charolais. But it doesn't stop there – her EPD profile ranks in the top 6% WW, 7% Milk, 15% YW and 2% Mtl. Take advantage of this tremendous flush opportunity in a truly special female. Guaranteeing 7 embryos and availability of Sharodon Double Vision 1D semen free of charge.

Here is a late March born show heifer prospect sired by the breed changing M&M Outsider 4003 Pld and out of one of the most prolific donors at Polzin Cattle, SCC Ms Bud 418-1128 ET. This extremely feminine, smooth shouldered female is destined to be a stand out female after her successful show career is done. Nice soft hair, gentle disposition, and a long goose neck coupled with this dynamic pedigree makes this female a confident buy. The 2019 Charolais Junior National will be held in Fort Worth, Texas. Here is your chance to get in on a competitive female before the deadline!

F5 Ms Fable F802 ET, Lot 6 is the younger of this pair of exceptional flushmate females offered by F Bar 5 but don't let that worry you! This good hiped, smooth shouldered, big bellied heifer is sure to catch the eyes of many a cowman on sale day. Beyond her good disposition and excellent phenotype, is an outstanding pedigree. A daughter of the \$125,000 high-selling bull at the 2016 Lindskov-Thiel Ranch, LT Landmark 5052 Pld, and out of M6 Ms Jewel 428 P. She balances the smooth calving ease of her sire with power and performance of her dam. This one will be a favorite in and out of the ring.

F5 Ms Flow F807 ET, Lot 7, isn't to be forgotten! The more powerful of the sibs, she has that same quiet disposition and deep rib as her sister but with more performance in her design. She reminds you of her dam, who was purchased from M6 Ranch as an open heifer for \$19,000 and went on to pay for herself and then some when her first calf sold at auction. Flow is a female destined to produce champions or the next herd sire. Don't be caught napping when this one comes into the ring!

If you are looking for that elite female to take your program to the next level, look no further. SKS Nancy E60 is a daughter of M6 Ms 761 Nancy 6106, who was the top seller and cover girl the same day M6 sold Bells & Whistles. Those who have seen Nancy 6106 have said she is similar to her flushmate sister, the now deceased Nancy 6100, with an extra shot of power! 6106 headlines the Donor pen for Skeans Cattle and this heifer exemplifies why! When you combine 6106 with the added eye appeal and EPD profile of DCF Relentless, you have a truly unique breeding piece that is destined for the donor pen! The seller reserves the right to one (1) successful flush at the seller's expense and buyer's convenience.

CHOICE OF ET OPEN HEIFERS

The Sturgess Family is offering you a chance at the best of their herd. This pick represents the future of Sturgess Double S Cattle, as they offer pick of all 2018 "F" model ET heifers. There are seven outstanding heifers to choose from, including daughters of Milestone, Patriot and their curve-bending young sire Recharge. The buyer may select from matings of Milestone and W910, P517 and Y194; a Patriot by P517; and a Recharge by Y196. W910, the dam of Painted Warrior, is now owned by Wright Charolais and Ledbetter Charolais. P517 will be 15 in March—a perfect udder, top 1% for Milk. Y194 is 7 years-old, high milk, carcass and marbling. Y196 is also 7 – high growth, milk and carcass. All were proven cows before flushed.

Rhinestone females are really making a name for themselves and this one is no exception. After calving in April to the \$160,000 LT Authority, she is destined to move right into your donor lineup. Just one look at her picture and you will appreciate her length of body, bold rib cage, sleek long front, and the power she brings to the table. Her pedigree gives you the opportunity to mate her to most any of the proven or up and coming bulls. Don't miss your opportunity here – look, power, performance and a flexible pedigree. Confirmed safe in calf, due in April to LT Authority 7229 Pld.

When Matthew started the conversation with, "She is out of our Turton son by Miss Easy Pro 8063," I told him to keep talking. 927 stacks her pedigree with a long list of notable sires and dams, including her own. TR DSUL Mr Turton 5703C's full and ¾ siblings have won too many shows to count, and he has proven himself as a herd sire in his own right. Stack her sire on top of a DCF Legend daughter with Milligan Cattle Co lineage and you have something special. She is bred AI to LT Patriot 4004 Pld and pasture exposed to TR Mr Outsider 6709D ET, a M&M Outsider 4003 Pld by the Donor "Wylie" – TR Ms Wyoming Wind 5604R.

2H Cattle Co. has chosen to offer this donor from the top of their breeding program. With the passing of her dam OBG Elvira 4303, one of the top matron cow families in the breed, here is one of the last opportunities to add these genetics to your program. This Wyoming Wind daughter offers a fantastic foundation pedigree from the most established bloodlines in the Charolais breed. Her balanced phenotype and maternal ability will allow you to infuse an outcross pedigree into your program. Her last calf had an adjusted yearling weight of 1,326 lbs. with only an 89 lb. birth weight. She has successfully flushed 8 embryos in her last flush and is bred back to the popular CCC WC Resource due September 1, 2019.

Presented by: 2H Cattle Company, Grove City, Minnesota, Dale Hecht 612-799-1859

Where do you start on this lot? Satterfield Charolais is offering your choice of donor and choice of mating with these embryos. You can choose from \$26,500 half-interest Reinharts Ms New Nancy 323E, the high selling lot from the 2018 Satterfield Female Sale, sired by M6 New Standard 842 P ET out of the matron cow M6 Nancy 6100 P ET. Or you can pick M6 Ms Jewel 428 P, whose first son sold at auction for \$20,000 for 2/3 interest to Bowen Farms, AR and whose cow family has generated in excess of \$200,000 in the last few years. But your decision isn't done yet! You can choose either the \$160,000 LT Authority, high selling, outcross sire from the 2018 Lindskov -Thiel Ranch Bull Sale or the late PVF Ridge 7142, who commanded \$92,000 at the 2018 Prairie Valley Farms Bull Sale. Selling three (3) embryos from each donor and guaranteeing one (1) pregnancy from each.

3R's Angel 3047

Angel is a tremendous female that is a true standout in the front pasture herd of former show heifers at Plyler's. She had a successful show career winning numerous Supreme Champion buckles and ending her run on top as the Grand Champion Female in both the Open and Junior Heifer Shows at the Arkansas State Fair. She has a huge rib blended with a long feminine front and a perfect udder. Angel is a daughter of the legendary Ms Cooley JPT 1410M10 ET and Fire Water – a full sib to J&J Cattle Co of Oklahoma's dominating National Champion 3R's Angelina 343A ET. This cow family continues to produce show ring champions including 2018 Junior National Champion Heifer. Keely Plyler is offering choice of three (3) embryos from 3R's Angel 3047 sired by LT Rushmore 8060, WC Milestone 5223 or CCC WC Resource 417. Guaranteeing one (1) pregnancy. 30 TV COMMERCIAL PRODUCTION AND AIR TIME

To benefit the American Charolais Foundation

NCBA's Cattlemen to Cattlemen will send a crew to your ranch to produce, script, voice and edit a 30 second commercial advertising your operation and/or production sale. Also included in this package is the air time for the commercial to run for four weeks (12 total airings) during NCBA's Cattlemen to Cattlemen show on RFD-TV. (Suggested 4 weeks prior to sale date) Production should be completed no later than 8 weeks prior to the targeted airing.

Buyer will also receive rights to use the video in their own electronic marketing efforts. Provided the operation is, or will become an NCBA member, the Cattlemen to Cattlemen crew will also shoot a feature story on the ranch to air on a future episode of Cattlemen to Cattlemen.

Presented by: NCBA's Cattlemen to Cattlemen

Contact Kaitlyn Chism, 515-205-9704, kchism@charolaisusa.com, for more details on donation lots.
