Charolais Friends,
Although still in the infancy of their Charolais program with this only the 11th Annual Bull Sale, the superiority of the Wright Charolais & Cody Cattle Company cattle can best be judged by the acceptability of both the purebred and commercial clientele! They have enjoyed volumes of success and achievements in all sectors of the beef cattle business from the show ring, the sale ring and in a wide variety of other agricultural ventures.

In only ten years from their first bull sale in 2008 with only 23 head, this sale has grown into one of the leading genetic superior herds that continues to rank in the top five sales of the breed year in and out for both female and bull sales! These cattle are geared for today and into the future for the economically important traits of birth weight, weaning performance, carcass superiority and down right eye appeal.

Buying a herd sire is one of your most important decisions in your quest to build a purebred herd or sell a top set of smoky steers and heifers to make money. And don't be shy, there wouldn't be any of us in this business if it wasn't to make a profit. It can be frustrating and time consuming to find that "just right" bull for your herd. You can save yourself many days of searching and many miles of travel by taking a look through this large number of bulls and genetics in this catalog by attending this sale.

As always, we have built this catalog by sire groups with the young spring yearling bulls first, followed by the fall coming two-year-olds in the second half of this catalog, so be sure to study every bull from Lot 1 through Lot 170. The very best bulls are not necessarily at the front of the pages!

The pictures and pedigrees in this catalog will be your first impression of the strength of this offering. Your second opportunity to evaluate these bulls will be when the videos of each bull will be posted online towards the end of February. Or come to the ranch prior to the sale date to get a personal tour of the herd from Derry, Chris, Cody, Matt or David or we will see you sale day! I am sure that your purchase online or on the seats will be a rewarding experience for you!

Don't forget, we have moved the starting time of the auction to 5 p.m.!

WC Milestone 5223 Sons

Lot 1

Led by WC Miles Ahead 7114 P ET, this set of ET full brothers are ready to get you "Miles Ahead" of the competition! One look at Lot 1's adjusted weaning weight of 964 lbs. tells you how stout and powerful he is, with a great look! This will be some of the first sons of the $125,000 half-interest WC Milestone 5223 P to sell in the entire country. They are good and why shouldn't they be, they are maternal brother's to WC Up The Limit 1128 P ET who is siring high dollar show heifers all across the U.S. WC Milestone was the lead bull in the Wright Charolais 2016 Grand Champion Pen-of-Three Bulls January 2016 and when he sold in March 2016 was the #1 ranked REA yearling with a 21.66 rib to ratio 144! His donor dam has produced 83 registered progeny at AICA, including many purebred herd sires.

WC Milestone 5223 Sons

This WC Milestone son will impressive all comers with his outstanding hip, build and structure. His equally impressive dam was in demand at our recent December 2017 Female Sale when she went across the auction block at $10,000 to PIBB Cattle Company in Texas. She was born 2-19-13 and has calved on 1-22-15, 1-15-16 & 1-10-17 with adjusted weaning weights of 820, 764 and this son at 790 lbs. What more could you want the dam of your next herd sire to do? Need more convincing? His maternal grand dam #9290 is also at the top level of performance, her last three bull calves weaned off with adjusted weaning weights of 751, 831 & 794 lbs.! There is weaning power in this pedigree tabulation.

Selling 2/3 interest and full possession.

M6 Ms Gain & Grade 552 P-Dam of Lot 6

Talk about a unique offering, take a look at this one! This herd sire prospect is a son of WC Milestone and out of the dam of M6 Bells & Whistles 258! This bull was her natural born calf. He is young but has the mass and power you would expect from this cow family in a smoother package. Bells & Whistles once sold for $105,000 for a one-half interest and then went on to sell over $250,000 of semen. Other sons of the dam of Stone Cold have sold for $23,000, $15,000, $22,000, $20,000 & $23,000, so you know the power is in this bloodline. And there is more monetary upside. A one-half interest in WC Milestone 5223 sold for $125,000. A one-half interest in Milestones maternal brother WC Executive 6211 sold for $110,000 and the paternal grand sire WC Benelli 2134 a one-half interest sold for $50,000. This is a proven genetic jackpot!

Selling 2/3 interest and full possession.

Here is a son of the $50,000 half-interest Benelli. Now study this pedigree and you will notice that this herd sire prospect being a Benelli son out of a LT Blue Value daughter makes him a ¾ brother to WC Milestone! We have a great deal of hope for this young herd sire prospect with his almost 900 weaning and his 114 weaning weight ratio, which ranks him as the second highest weaning weight ratio out of 61 contemporaries. He also boasts the #2 ADG ratio of 112! There is performance built into WC Commerce 7288 P. Oh, did we point out that his maternal great grand dam is a full sister to VCR Sir Duke 914?

Don't overlook this Benelli son, with a lower birthweight of 73 lbs. and still comes back with an equally powerful 843 lbs. weaning weight.

CCC WC Resource 417 P Son

The Heaviest Weaning Weight EVER at Wright Charolais!!!! Not only is he the most numerically superior herd sire prospect we have ever produced but he has an equally impressive phenotype! WC Uncharted 7328 P is super soft bodied, easy-fleshing, smooth shouldered and smooth jointed. He is extremely flexible and athletic on the go with all the mass and power you could want. His dam was the heaviest weaning weight heifer calf in her contemporary group at a 119 ratio and two years later she weans off the heaviest bull calf of all the first-calf-heifers at a 114 ratio. That bull was WC Leading Rush, he sold in last year's bull sale to Tyler Hagan, in Iowa. AND NOW as a three-year-old she raises the heaviest weaning weight bull calf EVER at Wright Charolais at 1,015 lbs.!!!

Now you want to hear the best part? He is so good, he could go on and also be the next National Champion Bull! At Denver he started his list of show ring accomplishments by being named the National Reserve Junior Bull Calf Champion! His dam is a full sister to our tremendous herd sire Rocketfuel, both out of the famous donor SCC Miss 3027 ET. She is a daughter of WCR Miss L06 5078 ET P that was highlighted in the now famous M6 Ranch Complete Dispersal in April 2017 that started the equally famous Jewel cow family. Miss L06 5078 is also the maternal great grand dam to WC Milestone 5223 P that sold for $125,000. Also go back to look at the pedigree tabulations on Lots 1, 2 & 3.

Another member of the 2018 Denver Grand Champion Pen-of-Five Bulls! This huge-bodied, massive herd sire prospect comes from the Cody Cattle Company program. His dam is an awesome young LT Ledger daughter that is working her way into Cody's donor program. Look at the impressive weaning weight data! His 917 lbs. adjusted weaning weight ranks him as the #1 bull calf in his 17 head contemporary group. He was also the #1 ADG bull with a 122 ratio. On the maternal side of this pedigree besides the world popular Ledger, his grand dam is by CCC West Covina that has always produced power cattle and then on back to a daughter of the National Champion Inxs. CCC Reflexion 721 Pld is backed by fertility, production and is performance driven.

Member of the 2018 Denver Grand Champion Pen-of-Five Bulls.

Selling 2/3 interest and full possession.

He made many friends as the lead bull of the Cody Cattle Company Grand Champion Pen-of-Five Bulls! He has the look, mass and EPD profile to attract purebred interest as well as the power and width for club calf producers. He is another another great looking herd sire prospect sired by the $44,000 one-half interest and half possession CCC WC Resource 417 P that topped the 2015 Bull Sale. Resource was the lead bull in the 2015 Denver Grand Champion Pen-of-Three Bulls and the sire of 4 of the 5 bulls in the Denver 2018 Grand Champion Pen-of-Five Bulls, including this bull! The dam of this bull, CCC Bud's Elvira 311 was the Grand Champion Female at the 2014 Star of Texas Show and is now a donor for S & S Cattle in Taylor, Texas. Her sire WC-CCC Bud Heavy 903 was the 2011 Reserve National Grand Champion Bull and a 1/3 interest in him sold in 2012 for $32,500. A full sister to the dam of this bull also sold for $17,500 during our 2014 Female Sale.

Member of the 2018 Denver Grand Champion Pen-of-Five Bulls.

Selling 1/2 interest and full possession.

Without doubt these two ET's by Resource need to be considered by everyone. Their dam has produced as many high dollar show heifers as any donor used in the United States.

Rushmore Sons

This will be your "Opportunity" to capitalize on a son of one of the great donors of our breed JWK Clarice J139 ET. This bull will be a great heifer bull to use with calving ease, profile and easy fleshing all rolled into one. The Wright Charolais staff and owner want to insert his genetics into their program by retaining the spring breeding rights. He was a member of their Denver Pen-of-Three Bulls. He ranks in the top 5% of the breed for Calving Ease EPD, the top 7% for BW, top 3% for Milk and top 5% for Maternal! Need we say more?

Member of the 2018 Denver Pen-of-Three Bulls.

Selling 1/2 interest and Fall Possession.

You might want to pay special attention to across the board on this herd sire prospect! From his 62 lbs. birth weight, to his Calving Ease & Birth EPD's in the top 4% of the breed, to his 862 lbs. weaning and the 115 ratio that ranks as the #1 ratio in his contemporary group of first-calf-heifer dams, the numbers just go on and on. His outstanding Up The Limit two-year-old dam did a great job raising him. It is bred into this genetic package. His dam's full sister also just weaned off the heaviest weaning weight heifer calf this year to a 120 ratio! This Rushmore son has it all bred into him; calving ease, performance and mass!

Ledger Sons

Lot 58

There is always one thing you can depend on with Ledger sons. They will be good! WC Tactical brings an interesting pedigree into play. His dam bred by Zehnder & Thomas Ranch is a daughter of the renowned Thomas MS Impressive 0641 who has produced more National Champions than you can shake a stick at and has sold over a million dollars in progeny! A full sister to this herd sire prospect sold for $9,500 as a bred heifer in our female sale in December. This guy and his full brother are stout and big-bodied.

Member of the 2018 Denver Reserve Grand Champion Pen-of-Five Bulls.

Selling 2/3 interest and full possession in Lot 58.

Fall Coming Two-Year-Old Bulls —Rushmore Son

Lot 89

This unreal herd sire prospect is a full brother to WC Monumental 5524 P that sold in last year's bull sale for $42,500 for 2/3 interest to Weber Charolais in South Dakota! That full brother had an adjusted weaning weight of 937 lbs. to ratio 125, along with an 82 lbs. Birthweight. The dam WC Asti 0505 P has already gone to the donor barn, after weaning WC Inferno 6561 P off again with an 885 lbs. adjusted weaning weight. Just take a stroll through these EPDs. You can expect more from this herd sire prospect and get it!

Selling ½ interest and fall possession.

These ET Resource sons are all solid, good bulls whose dam Easy Queen 7067 started it all with a great cow family here at Wright Charolais. She was the dam of WC Land Shark 3118 that sold for $26,000 and was a member of the 2014 Denver Pen-of-Bulls. The daughters of Easy Queen 7067 sired by Blue Value are some of the very best brood cows in the herd.

Angus Bulls

Ellingson Boardwalk-Sire of Lots 161, 162, 163, 166, 167, 169 & 170

Ellingson Boardwalk 3032 – Many astute cattle producers have proclaimed Boardwalk as the best son of SAV Final Answer 0035. His $52,000 valued dam may be the best cow to ever walk the Ellingson pastures. His first daughters replicate her productive, easy-doing, broody look. His ability to sire light-birthweight progeny that develop into wide-tracking, high-volume yearling cattle is remarkable. His sons have been maintaining their condition exceptionally well in the breeding pasture.

Boardwalk is a model Angus sire that exemplifies the qualities that have made the breed popular.

Owned with Ellingson Angus, Maher Ranch & Wright Charolais & Angus.
