## HEALTH

All cattle selling of test age, will be tested within 30 days of sale for Brucellosis and T. B. A proper interstate health certificate will be furnished. All females selling as pregnant will be pregnancy tested by vet and called accordingly. All bulls will be fertility tested satisfactory and all bulls will be Trichomonais tested. PA tests are noted on lots with informatino from AICA.

## EPDS

All EPDs are current March 2025 EPDs taken from the AICA Website.

## TERMS & CONDITIONS

All sales are cash or check and settlement should be made upon conclusion of the sale. Cattle will not be released until settlement is made. Please make checks to OUTFRONT CATTLE CUSTODIAL. This sale is conducted under standard sale conditions and a copy is available at the settlement desk or by written request.

## TRUCKING

A special trucking arrangement has been made to guarantee a maximum fee of \$400 per head to any central point in the continental U.S. if arranged by the sale manager. Rates for local hauls are also available at reasonable prices.

## INSURANCE

Insurance is available at the settlement desk.

## BIDDING

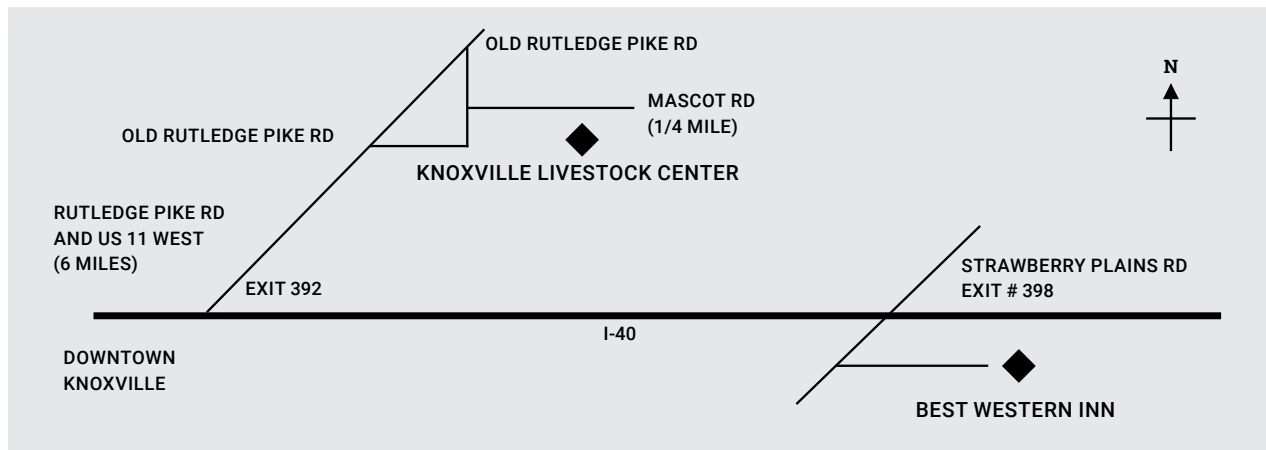

If you are unable to attend, you may phone your bid into the sale manager or AICA fieldman, and they will bid for you, in strict confidence. For details or more information, please call the sale manager.

## Welcome From Outfront Cattle Service!

Welcome to the 2025 Appalachian Classic! We have a tremendous offering of breed leading genetics, young replacement cattle that will elevate most any herd, and some herd sires that are destined to become well known names in the industry! The last couple of years the Appalachian Classic sales have been truly exciting as the quality of consignments has risen dramatically to great levels.

This year is no different as we have many different bloodlines to fit most everyone's desires, but also of the highest quality as well! We have several lots of top-end, young females that offer years of quality production and proficiency! The optimism in the Charolais and cattle business is equally exciting with new heights in prices abound. And importantly, the quality determines the prices more than ever. Cattle people are not interested in average cattle at high prices, the prices definitely reflect the quality! If you bring an outstanding animal, you are rewarded with the top prices!

The Appalachian is one of the fun sales to attend with plenty of good camaraderie among old friends and meeting several new friends each time.

Please join us for a great event, great people, and great cattle!

 CCF LADY GERMAINE 718PET

This legendary cow can have volumes written about her and her progenies. One of the all-time most influential cows in the Charolais breed. She was the first cow family listed in the M6 Dispersal sale. His footnote on the dispersal was "the Germaine Family is built to last". She topped the 2016 M6 sale with her daughter at \$15,250.00. But her offspring like M6 Ms New Germaine 484 sold for \$36,000, and her heifer calf for \$9,000.00. A full brother sold for \$30,000. Another heifer, 579, \$19,000, to just mention a few in the dispersal sale. The offspring of 1145 in the Dispersal sale totaled up \$167,500.00. And since then, many more of her sons and daughters have topped sales or at the very top, including the 2023 Southern Connection, a bull sold for \$7,500.00, 2021 Appalachian, a son for \$6300.00 to top the bull sale. In the 2022 Appalachian, a daughter, 585, produced the top seller, an open heifer at \$5,000. This cow family is one of the most prolific in production and profit! A fantastic opportunity now with lots 1-8 of maternal sibs out of 1145 and different breed leading sires! What an unbelievable opportunity to invest in a well thought-out and proven program to lead your herd into the next phase of more profit and proven program!

**Selling Full Interest and Full Possession.** A tremendous donor daughter of D029, she has produced 17 offspring to her credit. A perfect, broody conformation with superb udder quality. Duke 914 was a constant AICA Multiple Trait Leader for many years and has probably sired more trait leaders than any other sire in the breed. A very reliable foundation bred genetic package you can develop into a proven herdsire with just a little time!

# PAYWEIGHT STARTS

# HERE

The power of payweight starts with a registered Charolais bull. Superior weaning weight matters in your operation, and every pound translates to profit. Rely on the Payweight specialist to deliver more dollars per head per calf weaned.

**To make a difference on your next calf crop, start with Charolais.**
