Welcome to the 2nd Alabama Elite Charolais Sale!

These dedicated breeders offer a great set of cattle and the opportunity to look into their herds of what they are producing! It's a show window of their operations!

You will find a couple of exciting young herdsires that can elevate the performance in your herds, a couple of potential donor cow prospects. A great set of Pairs with mostly heifer calves at side to help rebuild your herds! There are a variety of bloodlines that should be of immense opportunity to observe and invest in quality consignments.

We would especially invite you to support the lot 1, with 100% of sale proceeds going to the Cattle for Christ International Inc. organization. And our thanks to Daren Statler, Desco Charolais, for donating a 2nd time to this humanitarian effort!

Rodger Bar HR has opened their herd of their top young cows in a superb offering! Some great brood cow replacement opportunities. Bradford reached deep into their herd to bring a really solid, productive set of females! Keahey also delivers a top set of choices. You will enjoy evaluating the quality set of females from Hudson Hines, they are fantastic! Dal-Dav has an exciting set, including a cow that was the exclusive winner of the Cow/calf class in the 2021 AIJCA National Show. Check out the fancy Jubal heifer calf on Rocky Hollows lot! And finish up with a fantastic set of embryos from a unique mating from Bella Angel!

An exciting time to be in the Charolais breed as our bull sales have never been better. The demand for good Charolais cows has abundant interest that matches the best years of the breed. More and more cow/calf ranchers, feedlots managers, and even packers are realizing the extra profit from faster growing, more efficient, and profitable carcasses from adding Charolais to their operations!

Join us for a great event in Letohatchie on May 17th!

Yours in Charolais!

Dennis Adams

CATTLE FOR CHRIST

INTERNATIONAL INC.
www.cattleforchrist.org

All proceeds from Lot 1 will be donated to the Cattle for Christ International. The photo shows when I was in Burkina Faso in April working with local cattlemen to learn A-I techniques to improve their local cattle quality. This organization works to import donated cattle and also training to more poverty stressed areas of the world to improve their agriculture so they can be more successful. It's teaching them how to "fish" instead of giving them fish! As the saying goes! It's quite an experience to travel and share with these cattlemen.

Sells Open, a Cigar daughter out of this powerful cow should be exciting for breeders that want the extra special genetics that have been a stalwart power for breeders for some time. The Sir Duke 1155 was purchased by Wienk's out of the Oakdale Dispersal sale, VA. He sired amazing daughters like this famed donor 6025. She has 84 progenies for Desco, Wienk, BJ Summerford, and others. The Bond 9508 was one fo the best sons of the original Bond 007 herd sire of Ron Nord's!

This PAF female has done a fantastic job of producing embryos and calves. She has 13 calves registered with AICA. Her embryos have "taken well" which is also very important. This mating will produce awesome calves! Cigar has almost 4900 offspring with AICA and is a major influence in many of the cattle today!
