Welcome to the Alabama Elite Charolais Sale!

The sponsors designed this sale to be not great sale numbers, but in great quality! The sale sponsors, Bobby Keahey, Chad Bradford, and Wade Trimm asked for everyone to be invited! We're pleased to be collaborating with them and a good group of dedicated breeders to offer a top-notch group of Charolais. Some of these cattle will work in the most discriminating herds and some will be very functional, profitable, and can add to your herd, reliable genetics to move forward. These cattle are raised in everyday environments and perform without pampering. That's essential in having an operation that returns a profit! They have also gone out into the Charolais world and purchased some of the best herd sires they could find to take their programs to an even higher level of Quality, Performance, and Production!

We have 3 outstanding herd sire prospects of the highest caliber in Quality! They represent some of the most proven and exciting bloodlines in the breed. We have some great ET progeny in the sale and embryos from some of the elite programs in the breed! Some unique semen opportunities that will be at the sale - no shipping charges! Bring your semen tank!

Most of all, come join us for a quality sale, a good opportunity to visit with other breeders, and a chance to evaluate cattle that might work in your herd! If any of us can be of assistance, please give us a call! We look forward to seeing you on May 25th in Letohatchee, AL.

Yours in Charolais!

Dennis Adams

Bred A-I to JMAR Jefferson 8M11, M951993, and due 9/30/24 with bull calf.

Jefferson is homozygous Polled son of FTJ Monticello 1806. Daughter of our "Diamond Dam of Distinction" donor cow. 908 ranks in the top 20% for CE, 25% WW, 15% YW, Milk, and MTL. In carcass top 15% CW and TSI. She has been used as a recipient, (dam lot 1A), due to lack of available recipis, but, too good to keep using that way! Great producer!

SIRE OF LOT 1A

Sells Open. 100% of proceeds goes to CATTLE FOR CHRIST INTERNATIONAL. Darren recently visited Burkina Faso for training local cattlemen to learn Artificial Insemination techniques. The proceeds will be targeted to this endeavor for Burkina Faso cattlemen. Outstanding ET daughter of our featured donor, EC Locklyn 865 Pld. With Monticello in the pedigree, you know the Marbling ability will be very positive, top 2% of breed and 20% TSI for breed. Extra muscling from the French influence of Hamm Mogo U23. A great one to add to any program!

CATTLE FOR CHRIST

INTERNATIONAL INC.
www.cattleforchrist.org

All proceeds from Lot 1A will be donated to the Cattle for Christ International. The photo shows when I was in Burkina Faso in April working with local cattlemen to learn A-I techniques to improve their local cattle quality. This organization works to import donated cattle and also training to more poverty stressed areas of the world to improve their agriculture so they can be more successful. It's teaching them how to "fish" instead of giving them fish! As the saying goes! It's quite an experience to travel and share with these cattlemen.

Nancy 6100 was a top selling donor at M6 to Double H and North Grove, MN. And very productive in the breed. Gringo also has a royalty pedigree, Carbon Copy is out of same dam as M&M Outsider 4003, (over 237 progenies). His dam, Fire Fly, is a full sib to National Champion, TR Turton!

Sells bred 1/9/24 to JMAR Jubal 5P01. This stout made, gorgeous heifer reminds you that her dam, Lot 41, also produced great calves besides raising great ET offspring with her good milking ability. 966K ranks in the top 25% for both CE and BW, 35% YW, 20% Milk, 9% MCE, 20% CW, and 30% TSI for breed EPD comparisons. One of the bigger Tank daughters, she will be awesome to blend with most any sire in the breed!

SELLING CHOICE OF 3 CONVENTIONAL EMBRYO MATINGS OF

M6 MS NEW FIRE 3105 P

CONSIGNED BY WELCOME GROVE CHAROLAIS

Ms New Fire traces to the great donor cow of Double H and North Grove, M6 Ms 761 Nancy 6100 P ET. A beautiful made, ultra feminine cow with skeletal correctness, superb udder quality, long clean neck, and plenty of volume and depth and spring of rib. She ranks in the top 6% for CE, 4% BW, 15% CW, 2% REA, and 30% for Marb and TSI. Some excellent choices of matings with JMAR Jefferson 8M11. Jefferson is rapidly becoming the "go to" bull with his credentials. He ranks in the top 1% for WW, YW, and CW, 20% REA, 3% Marb, and 1% TSI with a 306.01 score. He is Homozygous Polled.

Selling 10 units of Semen on DC/JDJ Pegasus D3330 P. This bull is gaining his reputation the hard way! He's working to earn it! The breeders that have used him love his great milking daughters and thick growthy bull calves. Then a son, DC/BHD Shazam G3220 PET came along and shook up the breed. His son were the high selling sire group in the 2023 DeBruycker bull sale averaging \$7981.00 on 40 head! The two high selling lots were DC/BHD Dutton K75 that sold to Lindskov LT Ranch for \$60,000 and DC/CJC Outlaw K1116 that sold for \$28,000 also to LT Ranch. Another son sold to Schurrtop, NE and Zegasus sold to a Syndicate.
