Welcome Charolais Friends to the 10th Anniversary Sale of Kentucky Bluegrass Country. Mitchel Cox and his Charolais friends have continued their efforts to present their finest genetics each and every year during this sale and this year will be their finest effort ever!

Mitchel told me during the initial plans of this sale, that the majority of his offering was going to be many young heifers that he was grooming for herd replacements. For this landmark 10th sale he was opening the gates to these two large groups of 2013 heifers. And that's what you will find over 30 head of fall and spring calving first-calf-heifers that will highlight this sale!

What a great time in the beef cattle business and especially the Charolais business! We have never seen the markets as strong as they are today and have all the appearances of no let up. Come and select right out of the top of these breeders very best.

Please join Cindy & Mitchel Cox, their family, their guest consignors and many of their past customers on Friday evening for a wonderful meal at the Cox residence. You have not eaten until you come join us for this spread, highlighted by some of the best deserts you have ever got to pick from. You will want something of everything.

If there is anything I can do to make your trip to Campbellsville more enjoyable, please give me a call. We look forward to seeing you Friday and/or Saturday.

Greg Hubert

BW: 90 lbs., Sired by Cox Ledger 2218 Polled

*Presented by: Cox Charolais*

**Lot 1**

The first of two featured potential donors that will impress all that come to the sale. Mitchel Cox has purchased many maternal females out of the Jensen Charolais Ranch program in South Dakota for many years, but this may be the best ever! This outstanding female was shown by Dannica Jensen and was sired by one of the greatest sons of the National Champion Firewater ever produced-TR Mr Firewater 7558T. His dam is a tremendous donor for Summit Farms in Iowa today and produced the Grand Champion Denver Pen-of-Three Bulls for them in 2012-all full brothers to this sire. She has a July calf at side and has been held open to flush to your choice of sires following the sale.

This equally powerful potential brood cow donor is bred just like you want one. Her sire the famous Grid Maker, her dam an Oak Hill Farm ET product of the breed's most popular A.I. sire Wyoming Wind and out of an exciting Duke 914 daughter that sold for \$10,000 many years ago. Her first daughter born almost to the day of her second birthday had a weaning weight of 737 lbs. and has been accepted as Hayden Farms consignment to the National Sale this coming November in Louisville. She sells bred to Eatons Leader 2233, a herd sire for Lindskov-Thiel and Wright Charolais. She will be ready to flush immediately following the sale.
