Central Kentucky Charolais Classic Sale

April 18th, 2015 - 1:00pm CST - Bowling Green, Kentucky

Dear Cattlemen:

First off, I would like to thank you for your support in our previous nine sales. This is our tenth annual sale, and we have learned a lot. This year we have made a few changes. I will be managing the sale with the help of my family, friends and four sales consultants. Everyone has worked hard to make this the largest consignment sale in the country and we couldn't do it without you.

This year's sale has quality like I've never had coming from 10 states. We are excited to welcome back our former consigners and to add some new ones to the mix. This year we have 152 live lots, semen, and embryo's consigned by 30 breeders! This is a sale that has cattle for everyone. Registered or commercial we have the cattle for you!

We would also like to invite you to come join us for our presale social on Friday April 17, at 6:00 pm CST. Last year around 250 people attended the dinner. It is a great time to catch up with old friends and even make some new ones over a good meal!

My family and I look forward to this sale every year and it is because of all of the wonderful people we have met. I would like to take a moment to thank our consignors and buyers from the past, you are the reason we have this annual sale. Thank you all for the friendship and the memories we have built. Most of all, I would like to thank my family and friends for putting up with me while preparing for the sale and helping along the way. Even though Bob Morton is not managing the sale this year I appreciate his friendship and input. My brother Jeff works hard to prepare the meal for Friday night and be an extra set of hands in the barn. My oldest daughter and wife put the information together and work the office on sale day. My middle child, Stacey and brother-in-law, Scott, work in the barn, and Sean, well he makes sure we are never bored!

If you only attend one sale a year, why not make it this one. If you have any questions about the sale, cattle, lodging or anything else feel free to give me a call.

Thank you,
Frankie Anthony
