Time Marches On!

JERRY ARTHUR CHAROLAIS

Complete Dispersal

November 21, 2019
Thursday – 1 p.m.
at the
Wheeler Farms Sale Facility, Chickasha, Oklahoma
Dear Friends of the Cattle Industry,

Seven years ago, I told my sons that it was time to develop a new breed in our herd. I went to the Denver Stock Show that year to observe several breeds. The quality of the Charolais Cattle and the friendliness of the breeders, as well as the fact that there was such a great acceptance and demand for Charolais Cross Cattle in the commercial market, sealed the deal for me! We began to build our herd of high quality Charolais cattle. Selecting only the best.

“Time marches on!” Truer words were never spoken! It is time for me to “lighten the load”. Lack of grass and hired help means we either sell to a reduced number or have a complete dispersal. My choice is to present you an opportunity to select any female, embryo, or semen we have on hand for the additions to your herd. We have a complete program of carefully selected females that offer fertility, milking ability, structural integrity, and eye appeal. Our cattle will perform with the best.

We are pleased to offer our herd to you on Thursday, November 21, at the Wheeler Farms Sale Facility just ¾ mile west of our farm here in Chickasha, Oklahoma.

Take advantage to choose the very best for your program. We are proud of the Charolais herd we have assembled. I want to thank my family and my friends who helped me make this possible. Also, I want to thank our veterinarian Dr. Jason Zwilling for his assistance in helping us manage our herd health. Further a big thanks to Jared Shepherd of LNC Livestock Nutrition Center for their dedication to helping us have our cattle conditioned for the sale. They also sponsored the lunch for the sale event. Come enjoy the day and have a burger with us!

Sincerely,
Jerry & Gay Arthur

On 10-23-19, 0516 was found to be 35 days safe-in-calf with embryo transplanted of LT Rushmore 8060 Pld x WC Miss Value 2213 P (LT Blue Value 7903 ET x SCC Miss 3027 ET.)

We are pleased to be able to offer this donor female in her entirety. She has been owned with Wright Charolais since her purchase of half interest from them. They have agreed to sell their one-half interest along with Jerry’s. Her first calf WC Long Distance 3018 P, born 1-25-13 had an adjusted weaning weight of 862 lbs. to ratio 117, he sold to Grace Farms for $10,000. Her next calf a heifer born 1-23-14 weaned at 679 lbs. to ratio 108 she is in the WC herd today. Her third calf another bull had an adjusted weaning weight of 792 lbs. to ratio 105 and into the embryo program she went! Two ET daughters pictured sold for $4,850 to Will Meadows in Alabama and for $6,000 to Brian Ediger in Kansas. Several daughters remain in the Wright herd today. Daughters and sons sell in this sale as Lots 2 through 6 and check out Lot 1’s full sister selling as Lot 7. This great donor has been a tremendous producer of embryos and Wrights have an embryo bank on her. She produces anywhere from 10 to 15 embryos per flush. Opportunity knocks.

Blue Value is well known for his outstanding daughters in the Wright Charolais herd and this mating is a full sib to one of the really great cows in the Wright herd.
This show prospect is an excellent daughter of Missy 0516.

A tremendous cow prospect and a half sister to many National Champions.

This heifer came in from a cooperator herd and did not have a good recip mother. She’s was a little thin, but the structure is there and so are the genetics.

Great hair and design in this Outsider daughter that is a definite show and performance prospect.
That’s right, a FULL BROTHER TO RESOURCE!!  Resource has taken his place beside some of the great sires of the breed with many show winners and sale toppers.  He is the sire of the $85,000 CCC WC Redemption 7143 Pld.  This is a great herd bull prospect that is just starting to come on.

You’re right again, a FULL BROTHER TO CARBON COPY!!  He was the high-selling bull in the Thomas Ranch bull sale.  Their dam is one of the greatest cows in the breed known only as “Ms Carbine” her legacy has just begun.

Another tremendous prospective herd sire.  #1204 was a class winner herself at the AJCA Junior National in 2013.  This bull is a full brother to the Intermediate Reserve Division Champion Heifer at this year’s 2019 Tulsa State Fair Show.  His donor dam sells as Lot 37.
The LT Patriot progeny have charged into the Charolais forefront. His dam is now a donor for Grand Hills Cattle in Colorado. He is a full brother to the $46,000 heifer that Lindskov-Thiel sold in the 2017 National Charolais Sale in Fort Worth. Jerry thought enough of this bull to use him to breed a few heifers to him.

This was the heaviest weaning weight bull in the fall 2018 calf crop. His dam that sells as Lot 49, was one of the top-selling cows at $7,500 in the 2016 Wright Charolais Female Sale catalog and graced the cover of that sale catalog. Wait until you see her and this yearling bull!

This ET bulls dam sells as Lot 48 and has been a great one for Thomas Ranch and Arthur Charolais. One of her daughters sold for $10,000 in the Thomas Ranch Dispersal Sale. Another daughter bred by us and sold in a recipient to Thomas Ranch – TR Ms Outsider 7950E ET was the 2018 Texas State Fair Champion Charolais. Another J-Art bred full sister J-Art Miss K31 7017 ET sold to Tim Smith in Iowa.

This is a high-quality heifer that also has genetic value for the breed. Her dam produced the $46,000 heifer for Lindskov-Thiel in the 2017 National Sale. The LT Easy Pro 1158 Pld semen is rare and daughters are hard to find. This heifer is a full sister to LT Ballet 9219 the powerful dam of three major herd sires produced by Lindskov-Thiel; LT Sundance 2251 Pld, LT Venture 3198 Pld and LT Commissioner 5232!

A full-bodied brood cow prospect that comes from the reliable Sully Rose cow family at Lindskov-Thiel Ranch. Her dam sells as Lot 54.
A stout show heifer prospect with great structure. Her dam WC Clarice 2214 P ET is one of the best producing daughters of the tremendous donor JWK Clarice J139 who has left a powerful set of daughters in the Wright Charolais herd! This is the only Clarice cow family member offered in this dispersal.

Due January 1, 2020, Recip #43305 Black cow: TR PZC Mr Turton 0794 ET x M&M Ms Stealth 9509. Turton was a National Champion Bull and this is the only Turton in the sale offering. The donor dam #9509 sold in the Embryos On Snow Sale in Denver and a one-half interest demanded $47,000 to Grand Hills. She has been a featured donor of many progeny and embryos in many sales.

This ET heifer calf is sired by the $125,000 WC Milestone 5223 P and is out of a full sister to the $29,000 WC CCC Maverick 5117 P ET. The maternal granddam is the super donor Baldridge Sweetheart 7M!
J-Art Outcome 8053 P ET – Reference Sire A

You read it correctly, this herd sire is a Full Brother to M&M Outsider 4003 Pld! Outsider has produced multiple National Champions in the last three years and there is more to come. He ran with the following heifers from 5-20-19 to 8-1-19 and then got injured in the pasture and had to be shipped. He had a low birthweight of 70 lbs. and a BW EPD of -2.6, so calving ease is bred into him.

Reference Sire Only – Does Not Sell!

Lot 24

M&M Outsider 4003 Pld – Full Brother to J-Art Outcome 8053 P ET

Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. This is quite a nicely made daughter of the maternal power sire LT Rushmore 8060 and comes out of the proven Sizzle cow family from Lindskov-Thiel Ranch. Check out the rest of the Sizzle’s that sell! Her dam sells as Lot 39 with a really nice maternal sister at side as Lot 39A and Lot 24’s full sister sells as Lot 44.
She was pasture exposed to a calving ease Angus bull and then pasture exposed J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. This Resource daughter was shown successfully several times for Jordyn Jackson. Her points through the Oklahoma Club Calf Association earned her the Belt Buckle for Number One in the Charolais breed in Oklahoma! Her dam sells as the powerful Lot 37!

Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. Another ET daughter out of Outsider and the great Lot 37 donor D&D Ms Carli 1204 Pld.

**Frozen Embryos:**

Lot 26A – 4 Embryos: M&M Outsider 4003 Pld x D&D Ms Carli 1204 Pld. (Full sibs to Lot 26)
Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19.

These two heifers are awesome! We bought a flush from Wright Charolais on WCCC Miss Alliance 428 and she made us some super young females. #428 is the dam of the National Champion WC Kendall 5173 and the granddam of the $85,000 CCC WC Redemption 7143 Pld ET! The Lot 27 heifer was the lead off heifer of our 2019 Denver Pen-of-Three Heifers. Another full brother pictured below sold for $4,250 to Lindskov Ranch in South Dakota.
Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. This good heifer was our alternate to the full sisters that made up our 2019 Denver Pen-of-Three Heifers. She was the first calf out of Lot 40 that sells that was purchased in the really good M&M Dispersal and goes back to their great donor cow VCR Miss Duchess 433.

Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. It all ties together here! She is sired by the maternally strong LT Rushmore 8060 and her dam is the powerful WC CCC Sweetheart 1140 P now in the embryo program for both Wright Charolais and Grand Hills Cattle.

Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. This bred heifer comes from the highly regarded Brenda cow family at Lindskov-Thiel! Her maternal great granddam LT Brenda's Ease 3055 Pld is the dam of LT Ledger 0332 and 3055 is also the dam of LT Rushmore 8060! But that does make her a granddaughter of Baldridge Sweetheart 7M and a lot more valuable.

Pasture exposed to J-Art Outcome 8053 P ET from 5-20-19 to 8-1-19 and pasture exposed to J-Art Loyalist 8033 P ET (Lot 15) from 9-1-19 to 11-21-19. This heifer is the natural born daughter of our donor M&M Sugababy 9531 which we recently lost. But that does make her a granddaughter of Baldridge Sweetheart 7M and a lot more valuable.
Herd Sire

This walking herd sire at Arthur Charolais is the sire of many of the spring born weaning age calves that sell. His sire is the highly proven LT Blue Value 7903 ET that has several great daughters spread around the United States that are true brood cows. WC Blue Ox 6517 P was at the side of the Lot 50 cow when we bought the pair from Wright Charolais.

Lot 34 – Polled heifer calf #9007, born: 3-8-19, BW: 72 lbs. sired by WC Blue Ox 6517 P.

Lot 35 – Polled heifer calf #9016, born: 4-28-19, BW: 66 lbs. sired by WC Blue Ox 6517 P.

Lot 36A – Polled heifer calf #9016, born: 4-28-19, BW: 66 lbs. sired by WC Blue Ox 6517 P.
I can’t say enough about our donor cow D&D Ms Carli 1204 Pld! She has produced great bulls, show heifers, replacement heifers and embryos. Her offspring, speak for her. One daughter was just named the Reserve Intermediate Champion at the 2019 Tulsa State Fair. Carli herself was a Junior National Class Winner in 2013.

Lot 37A – Polled heifer calf #9012, born: 4-12-19, BW: 66 lbs. sired by CCC WC Resource 417 P.

Lot 38A – Polled bull calf #9015, born: 3-18-19, BW: 90 lbs. sired by M6 Bells & Whistles 258 P.
Pasture exposed to CCC Major Impact 613 P from 6-30-19 to 11-21-19. Here is the start of the strong Sizzle cow family in this catalog. She has produced us two outstanding full sisters sired by LT Rushmore. One sells as Lot 24 in the bred heifer section and the other sells as Lot 44. Then turn your attention to the excellent show heifer prospect that splits off her side sale day Lot 39A.

**Lot 39A** - Polled heifer calf #9013, born: 3-29-19, BW: 77 lbs. sired by CAG GARW Strong Side 685 D TW.
Pasture exposed to CCC Major Impact 613 P from 6-30-19 to 11-21-19. She was one of the top selling open heifers in the historic M&M Charolais Dispersal in 2016 and is sired by DR Stealth 574 that led the way at M&M with a set of maternal brood cow daughters. This female is donor material. Her spring calving bred heifer daughter sells as Lot 29. They all go back to the really strong line of M&M’s greatest donor VCR Miss Duchess 433!
