Annual Production Sale
Friday, February 21, 2020
1:00 p.m. CT
Hub City Livestock, Aberdeen, SD

Selling 66 Charolais Bulls
Sale Date | Friday, February 21, 2020 • 1:00 PM CT
Location | Hub City Livestock Auction, Aberdeen, S.D.
Phone | 605-225-3279
Auctioneer | Seth Weishaar | 605-210-1124
Sale Day Phone | Robert’s Cell | 701-678-3528
| Vickie’s Cell | 281-773-7646
Livestock Reps | Donnie Leddy; Cattle Business Weekly, 605-695-0113
| Colt Kiffler; AICA, 765-376-8784
| Dan Pirotte, Tri-State Livestock News, 605-544-3316
| Mark Hove, Hub City Livestock, 605-290-4896
Ration | The bulls are on a TMR ration of ground hay, corn silage, corn, protein and mineral supplement. Ration formulated by Cattlecents Consulting, DeWayne Siebrasse, Aberdeen, SD.
Feeding Arrangement | The bulls may be kept, at the ranch, after April 1, 2020, at the buyer’s risk for $2.00/day.
Additional Performance Information | Adj. 365, ADG, and scrotal measurements will be provided sale day. Ultrasound information available sale day.
Guarantee | Bulls will be guaranteed to your satisfaction and semen tested before delivery. If there is a problem, we will provide a replacement to use and credit at next year’s sale.
Insurance | Insurance will be available at a reasonable rate for both life insurance and loss of use coverage from Martin-Trudeau Insurance on sale day.
Trucking | A $100 discount per bull will be given if you take your bull home on sale day. Bulls not taken home on sale day will be trucked back to the ranch for later delivery.
Health | Bulls are on a complete health program and have been vaccinated and poured for everything under the sun.
Sale Terms | Cash or check payable sale day unless credit arrangements are made with Robert Birklid before the sale.

See page 30 for details on DVAuction.

Please bring this catalog with you on sale day!
Welcome once again to our annual bull sale. We strive every year to bring you better quality bulls than the year before, and this year is no exception. We are excited to offer more bulls this year from tried and true as well as new bloodlines.

What a challenging year it has been. They say “When the going gets tough, the tough get going” and that has been our motto this year. From some of the most challenging weather conditions we have ever faced to market crashes and uncertainties to trade wars – the hits just didn’t stop coming. Although 2020 is continuing to offer challenges, there seems to be a light at the end of the tunnel with markets looking up and demand for good beef increasing.

As we look forward to the coming year and production cycle, we will continue our endeavors to produce the highest quality bulls possible so that your bottom line increases. Our maternal lines continue to support our herd with 2 Diamond Dams of Distinction and 14 Sterling Dams of Distinction again this year. Don’t forget to let us know when your calves are going to market. We continue to work with feedlots and buyers in multistate areas that want to purchase your calves. By tracking and compiling data, we have proven the performance of our genetics in the feedlot. Let us help market your cattle to get the best price possible for them.

We look forward to seeing everyone on sale day, but if you can’t make it in person please join us on DV Auction or contact one of the ringmen with your order. We stand behind our bulls so you can buy with confidence, even sight unseen.

May your calving be easy, grass be lush and life be contented in the coming year.

Sincerely,

Robert Birklid

TERMINAL SIRE INDEX (TSI)
The AICA Terminal Sire Index (TSI) is a formal method of combining Expected Progeny Differences (BWT, WWT, YWT, REA, HCW, MARB and FAT) – into one single value on which to base selection decisions. The TSI uses estimates of the genetic relationships between traits with an economic default value based on three year rolling USDA data.

The TSI represents a dollar index per terminal progeny produced for a bull in the AICA database, ranking them for profit potential. This dollar index is to be interpreted much like single trait EPD. For example, if Sire A’s index is $191.66 and Sire B’s index is $200.00, then we would expect Sire B’s offspring to average $8.34 more net return ($200.00 minus $191.66) than Sire A’s offspring.

They just keep getting the job done. The daughters have proven to be big calf raisers time and again. Semen continues to be sold worldwide and Fargo has left his mark on the Charolais breed. Owned by the LT and RBM ranches in South Dakota.

Popularity gains more traction all the time. Proud to be part owner! They are good cattle.

A new bull we purchased in Canada for his muscle, calving ease, maternal. His calves are like him, thick, growth and a bunch of hair! Unfortunately, we lost him to an injury after breeding season so this is all there is. His daughters are being kept in the herd as they are the right kind.

This bull did a good job again this year and it is reflected in his EPDs. Being imported from Canada, he has to prove his own EPD numbers which takes time. He calves easy, they perform good and his marbling EPD is well above average. Several thick made growth sons are in this year’s sale.

Pleasant Davenport bred bull. Started out kinda small at 74 lbs, but has turned into an impressive bull. Big bodied!

---

**Watch & bid Online for Free at DVAuction**

View the Auction Live!
Bid Online... you’re ringside right at your desk!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

High speed internet is required for successful bidding—be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding—if you can’t make time to watch the sale, register a proxy bid and let our system represent your bid while you’re away. Look for the “proxy bid” tab on the auction listing, and fill in your maximum bids. We’ll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

Dear customers,

RF LAZY B RANCH

Thank you for stopping by! We are excited to share our line of polled yearling bulls. These bulls are known for their great sire group, low BW, high WW, and easy to like. We offer a diverse selection of bulls to meet your specific needs.

Contact Dustins Puhrmann for all your feed needs:

Featuring Sons in Our 2021 Sale!
Located in the Panhandle of Nebraska, Chappell Feedlot is a family owned and operated custom cattle feeding business. Since 1992, our primary goals have been to provide exceptional customer service and assistance to retained ownership customers and investment feeders. We are proud of the relationships we have built over the years and would like to thank all of our customers for bringing their high quality cattle to us to manage.

Chappell Feedlot will express the genetic potential of their customer's cattle through sorting and grid marketing, maximizing the profit potential above the cash market.

- Certified Angus Beef licensed feedyard since 2004
- Certified IMI Global Feedyard for Source and Age verification programs, Non Hormone Treated Cattle
- Risk Management Programs
- Forward contract opportunities with major packers
- Forward grain bank buying opportunities
- Ultrasound sorting to maximize efficiency and profitability
- Feeder finance options and equity advances
- Personal service & attention
- Low stress cattle handling, utilizing flags and points of balance
