Rancher's Choice
Bull Sale

February 22, 2020
JR Ranch Sale Barn | Hwy 17 | Othello, WA | 12:30 PM

rancherschoicesale.com
The gang is all back together for this year’s sale AND at an exciting new sale location!
We’re pleased to announce that we’ve moved up the road a few miles to the impressive sale facilities at the JR Ranch (Jeff and Pam Schmidt), just south of Othello, WA!
We all look forward to their inside sale ring, bathrooms, lunch area, seating, etc. No more huddling around space heaters in 2020!

Questions, Questions, Questions – As a buyer we all have a list of questions to answer before we go bull shopping.
- What breed should I buy? • Do I need a terminal bull because I sell calves at weaning?
- Do I need a bull with good carcass traits because I retain ownership?
- How about a calving ease bull for my heifers? • Or maybe a maternal bull to keep replacements?

Our sale offers three distinct breeds to help you fill your bull buying needs. We offer bulls that will compliment any set of cows. If you are a seedstock breeder, we have your next herd sire. If you are a commercial cattlem an with a straightbred set of cows or a multicolored Heinz 57 herd, we’ve got you covered as well.

Genetics, Genetics, Genetics – You need the best genetics to make the type of calves that will top the market. All three of our operations have invested heavily over many years in breed leading genetics. Using AI and embryo transplant, our cow herds are solid and productive. Along with the excellent set of bulls offered, you will also find a select set of registered females to add to your herd.

Join us on February 22, 2020 at the JR Ranch Sale Facility, south of Othello, WA.
Videos of the sale lots will be available for viewing approximately two weeks before the sale. Whether you are a purebred or commercial producer, you’ll want to be either in the bleachers, online or on the phone when Butch starts his chant!
If you have any questions or just want to talk about the cattle, please give us a call. We’d love to visit with you about your bull buying needs.
SALE INFORMATION

SALE INFORMATION

RANCHER'S CHOICE BULL SALE

SATURDAY, FEBRUARY 22, 2020
JR RANCH SALE FACILITY :: HWY 17, SOUTH OF OTHELLO, WA
LUNCH AT 11 A.M. :: SALE AT 12:30 P.M.

NEW LOCATION!

SALE DAY PHONES:
Alan Alexander ....................................................... (509) 727-9151
Leslie Alexander .................................................... (509) 727-0718
Carl Lautenschlager ............................................. (509) 595-8131
Walter Taylor ....................................................... (509) 549-3083
Pat Gardiner ......................................................... (208) 290-4522
Glenn Ensz .............................................................. (208) 597-0617

DRIVING DIRECTIONS:
From Pasco – Hwy 395 northbound – travel 18 miles and exit at (Mesa). Turn left onto Hwy 17 and continue for approx. 18 miles. The sale barn is at the intersection of Hwy 17 and Hatton Rd.
From Moses Lake – Hwy 17 southbound – travel approx. 27 miles. The sale barn is at the intersection of Hwy 17 and Hatton Rd.
From Spokane – Hwy 395 southbound – continue to the exit at Hwy 26 and turn right towards Othello. Continue along Hwy 26 to the intersection of Hwy 17 at Othello. Exit and head south (left). The sale barn is at the intersection of Hwy 17 and Hatton Rd, just south of Othello.

LUNCH:
Complimentary lunch served at 11 A.M. Refreshments will be available sale morning and throughout the day.

AUCTIONEER:
Butch Booker, Colfax, WA................................. (509) 989-2855

SALE DAY REPRESENTATIVES:
Ty Groshans, Charolais Journal ...................... (970) 818-6016
Rod Wesselman, Wesselman Livestock .......... (509) 750-2185
Mark Frisbie, Western Ag Reporter .............. (208) 495-2601
Logan Ipsen, Western Livestock Journal ........ (916) 947-2329

The sale hosts or one of the sale representatives listed above will be available to provide feedback on the lots and handle phone bids during the sale.

HEALTH & FERTILITY:
Health certificates will be issued to all out of state buyers on sale day if bulls are loaded out that weekend. All bulls, regardless of age, have passed a semen test. Trich tests will be done as required to meet import regulations of the destination states.

WARRANTY:
All bulls are guaranteed against injury or death for the first breeding season. The seller will work with the buyer and either (1) replace the bull with a comparable animal if one is available or (2) credit the buyer with the purchase price, less salvage, at the next sale. All claims must be made in the same year the bull was originally purchased.

LIVESTOCK INSURANCE:
Buyers assume all risk upon purchase and are encouraged to purchase insurance at the settlement desk. Contact Mark Frisbie on sale day or in advance at (208) 495-2601 for more information.

SUPPLEMENT SHEETS:
Scrotal measurements, bulls out of the sale, additional performance data and ultrasound measurements will be available on sale day.

DELIVERY:
We encourage everyone to bring their trailer and take advantage of the $50 per bull haul out credit. Bulls must be picked up after the sale or by appointment Sunday to qualify.

We plan to deliver bulls for free to central locations in adjacent states within 30 days of the sale. We will contact each buyer in advance with the proposed date and location. If you are unable to take possession of your bull at that time, a delivery and $3.50 a day feed bill may apply until the bull leaves our facility or you pick him up yourself.

TERMS AND CONDITIONS:
All settlements must be made with the clerk immediately following the conclusion of the sale. Terms of the sale shall be cash or bankable checks unless prior arrangements have been made in advance. Internet buyers will be invoiced. All supplements to the sale book or announcements made from the block take precedence over what is written in the sale book. Registration certificates will be transferred on all eligible animals.

INSPECTION OF CATTLE:
Charolais and Red Angus bulls are at Beus Feedlot, north of Pasco. The Angus cattle are at the SHB Feedlot (Ed Gross) Air Way Heights, outside of Spokane. Cattle will be moved to the sale site Thursday - Friday, February 20-21.

Please bring your sale book with you to the sale. Videos of the sale lots will be posted to the sale website www.rancherschoicesale.com and DVAuction.com as they become available.

INTERNET BIDDING:
If you are unable to attend the sale for any reason, view the sale live and bid on lots via the DVAuction.com website. Lot videos will be available for viewing in advance and during the sale. Internet buyers must create an account and request a buyer number prior to sale day (no charge). If you choose to use this service visit www.dvauction.com or contact Heather Soukup at 402-681-0577 for more information and support.

LIABILITY:
All persons attending the sale and related functions do so at their own risk. Hang’n A Cattle Company, Lautenschlager and Sons, Gardiner Prime Angus Ranch, JR Ranch, their staff or representatives assume no liability, legal or otherwise, for any accidents or injuries that may occur.

2020 SALE CO-HOSTS:
Alan & Leslie Alexander :: Hang’n A Cattle Company
Pasco, Washington :: 509-727-9151 or 727-0718

Carl & Jodi Lautenschlager :: Lautenschlager and Sons Red Angus

Pat & Ada Gardiner :: Gardiner Prime Angus Ranch
Glen Ensz, Herdsman
Bonner’s Ferry, Idaho :: Pat: 208 290-4522 :: Glen: 208 597-0617

RANCHER’S CHOICE 17TH ANNUAL BULL SALE
Welcome to the 17TH Annual Rancher’s Choice Bull Sale!

Seventeen years? It can’t have been that long ago that we hosted our first sale with John Cox and Bob Schoessler? We all looked so much younger way back then! Many of those first customers are still with us today, and those who have sadly passed, have been replaced by their sons, daughters and grandkids.

When we look back at the bull photos from that first sale, we can see just how far our breeding program has progressed. Our goal has always been to “get better” through better management, new technology and genetic improvements.

We have a good mix of bulls for you this year, both strong maternal bloodlines and those that are more performance oriented. You’ll be impressed with the AI and ET sired bulls and the sons of our popular walking bulls too. This year we again took the extra step to DNA 50K test all the fall bulls and a few of the spring born lots. This testing gives each bull enhanced, more accurate EPDs, much like the EPDs of an older bull with multiple calf crops on the ground. In the spring pen, we’re excited that three of the bulls we DNA tested are homozygous polled! They will not sire horns!

Our heifer lots this year are made up of AI and natural born females with strong maternal bloodlines that will sure be good milking cows. To add to the heifer numbers this year, we’ve invited Rafter DN Charolais, Dave and Nancy Condron, Powell Butte, OR to bring a few of theirs. The Condron’s are well known for their many Champions at the Red Bluff Bull Sale and shows around the Northwest.

The bulls are on a growing ration at Beus feedlot, north of Pasco. If you’re in the area, feel free to stop in and walk through the pens. (Watch for the Sale/Ranch signs). On February 15th, we’ll start bringing them home to the ranch and start prepping them for the sale.

The sale will be broadcasted by DVAuction.com again this year. Look for information in this catalog on how to set up your account, view and bid online. The sale videos will be posted in mid-February to the sale website (www.rancherschoicesale.com) and at DVAuction.com. Videos will be shown in advance and during the sale.

Don’t forget we have a new sale location this year! We’ve relocated up the road a few miles to the JR Ranch sale barn, south of Othello, WA. We know you will appreciate their indoor facilities!

We appreciate the continued support the industry has given our Charolais program and our loyal repeat buyers. If you can’t attend the sale in person, please view and bid online, place an order with us, or bid on the phone. To learn more about our operation, log on to our website or follow us on Facebook. Give us a call or drop us an email if you have any questions.

- We purchased Master from Doug Thurnau (TCCS) from St. Elmo, IL to bring in an outcross bull to our herd.
- His first sons to sell were well received at last year’s sale.
- His calves are clean fronted with lots of muscle and style.
- He is SOK tested, homozygous polled.
- EPD rank: Top 5% CE, 15% low BW, 20% Milk, 4% MCE, 35% HCW.
Use a Registered Charolais Bull?

If your goal, as a beef producer, is to market a calf with wide market acceptance, why not use a registered Charolais bull? In a recent analysis of seven years of extensive Superior Livestock video auction marketing data including more than two million head of cattle, Charolais-sired steer calves outsold all other English-Continental breed cross steers by $3.73 per hundred weight.¹

Use genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females

- The next two bulls are by our popular WC Formula 5014 bull. His first sons sold in 2019 and were well received.
- Use his sons if you want thick, stout calves and good milking replacement heifers.
- Polled – Fall bull.
- Out of a good milking 5-year-old female.
- Full brother in blood to Lot 29.
- Moderate birth and above avg weaning and yearling weights.
- Dam’s avg WW ratio 2 @ 101, YW 1 @ 107, IMF 1 @ 119.
- 50K tested – Enhanced accuracy EPDs.
- EPD Rank: Top 30% CE, 8% Milk, 35% MCE, 15% MTL, 35% low Fat, 8% IMF, 30% TSI
The American-International Charolais Association (AICA) Genetic Evaluation incorporates the use of single-step genetic evaluation. The release of EPDs utilizes proven technology allowing the most accurate and complete combination of the pedigree, performance and genotype data generated by AICA. 50K genomically tested animals have the genomic results incorporated into their EPDs allowing cattlemen to aggressively relevance with more confidence. Genomically enhanced EPDs allow commercial bull buyers to have improved genetic selection tools that will reliably characterize the Charolais genetics they select forward.
**Lot 15**

**HACC MR ROYAL 836 POL**

Birth Date: 7/19/2018  
Reg Num: M921291  
Pulled

- Polled – Fall bull.
- Out of a 9-year-old cow that really milks and produces good cattle, included two high sellers at the sale. She will be heading to the donor pen in the future.
- He may be a twin but he’s no slouch. Good muscle, good bull.
- Dam’s avg WW ratio 6 @ 102, YW 5 @ 102, IMF 3 @ 111.
- 50K tested – Enhanced accuracy EPDs.
- EPD Rank: Top 15% WW, 35% YW, 30% Milk, 15% MTL, 20% HCW, 15% REA and 9% IMF

Lot 19

- Polled – Fall bull.
- Sired by LT Bluegrass, a well-known Charolais sire.
- Out of another first calf heifer.
- A lighter boned bull that still carried muscle.
- 50K tested – Enhanced accuracy EPDs.
- EPD Rank: Top 30% CE, 25% low BW, 25% MCE

- Polled – Fall bull.
- A grandson of the popular Blue Value bull, his 5-year-old dam traces back to Tribute.
- Nice smooth bull that with good muscle.
- Dam’s avg ratio WW 2 @ 110, YW 2 @ 104.
- 50K tested – Enhanced accuracy EPDs.
- EPD Rank: Top 35% CE, 1% MCE, 15% IMF

- The next five lots are by Big Creek Master Chief, a bull we debuted at last year’s sale. We had big plans for him, but he broke his hock working in our cooperator herd.
- Polled – Fall bull.
- Look at his weaning and yearling ratios!
- You’ll like this guy, lots of muscle and volume.
- His young dam is quite the milker and always does a good job.
- Dam’s avg WW ratio 2 @ 103, YW 1 @ 102, REA 1 @ 101, IMF 1 @ 143.
- EPD rank – Top 20% for Milk and MTL, 30% low Fat, 15% IMF

- EPD Rank: Top 15% CE, 25% low BW, 7% Milk, 15% MTL, 7% IMF and 25% TSI
Greetings and welcome,

Once again, we are excited to be a part of the 17th Annual Rancher’s Choice Bull Sale along with our good friends, the Alexanders and the Gardiners.

I would venture to say that this is the most uniform and impressive set of bulls that we have ever offered for sale. There are numerous herd sire prospects within the offering, both red and a handful of black red gene carriers or “Black/Red Benefactors” as we like to call them.

There are calving ease, carcass, and performance prospects throughout the offering. We have also been diligently working on improving udders and disposition within our herd to better serve our customers in maintaining these important traits in their herds.

Though we didn’t bring any heifers to the sale this time, we will be offering approximately 25 open heifers for sale in March. If you are in the market for some great females that are ready to breed, give us a call. We will have more details available later.

Additional information on the bulls, including ultrasound data, photos, yearling weights, lot videos, etc. will be posted to the websites in early February.

We hope to see you all at the sale or online on February 22nd. Remember our new sale location- the JR Ranch Sale Barn south of Othello.

For more information or if you have any further questions, please give us a call.

The Lautenschlager’s

L-R: Cody, Kaysha, Scott, Lucy, Carl, Jodi and Katy

---

- Looking to make waves in your cowherd? It all Stars with a Splash!
- This bull made us jump in with both feet when we saw him at weaning time! His great docile nature made him an easy choice to halter break and show off at our local fair. His pedigree is stacked with three of the deepest made carcass bulls in the breed Spur Franchise of Garton, 5L Defender 560-30Z, and C-Bar Eldorado 114Z. His impressive IMF ratio of 109 and his REA ratio of 132 were no surprise to us. With an impressive 13 traits in the top 1/3 of the breed, 8 of those in the top 10% this Splash will be making ripples for years to come! Two full brothers sell! **We are retaining a ½ semen interest!**

Welcome to the Registered Black Angus part of the 2020 Rancher’s Choice Sale! We are happy to bring you a top set of yearling bulls with the performance, body and substance we strive to produce in our now twenty-year program. The herd sires in this year’s production include the calving ease/high growth Casino Bomber, the thick muscled Baldridge Command, our consistently attractive, low birth weight herd bull Super Cool from SydGen genetics, and two high performing all performance Epic calves (NHF).

Our aim continues to be to put together a group of bulls with multi-trait excellence without sacrificing any function or quality you expect to see in a Black Angus bull. While in some sales we may see wild carcass traits featured over phenotype or maternal, what we try to do is to produce herd sire prospects that will provide the commercial cattleman and seedstock producer with all around sound performance that will maximize the safe birth, steady growth and sale potential of any set of cows. We think the bulls we bring to this sale represent this goal better than ever!

The bulls are coming on strong and doing great. Until the sale, they are at Ed Gross’ new SHB feedlot in Reardon, Washington. It’s a nice facility, so stop by if you are in the area and come see our offering.

The sale videos of our bulls will be posted in mid-February to our Ranchers Choice website (www.rancherschoicesale.com). Check out the website for photos and updates. To see more of our operation, check out our website, www.gardinerprimeangus.com or visit us on Facebook, or simply call any time to talk Black Angus bulls!

Unfortunately, due to some unforeseen circumstances, we were not able to bring any heifers to the sale this year. We do have a good selection here at the ranch for sale by private treaty if you’re in the market this spring. Give us a call for more information.

Looking forward to seeing you at the JR Ranch Sale Facility in Othello on February 22, 2020 or get set up to view and bid on DVAuction.com. Give us a call!

We would love to hear from you,

Pat and Ada Gardiner

---

3F Epic 4631 :: Sire of Lots 82-83

Casino Bomber N33 :: Sire of Lots 84-86

Baldridge Command C036 :: Sire of Lots 87-89
**SydGen Supercool 7005 :: Sire of Lots 90-94**

- His name perfectly describes his demeanor, and his looks are pretty cool as well.
- We really like what he’s doing with limited opportunity; he stacked up very well against the big-growth A.I.sires he was compared against.
- His data for Docility and foot quality help earn him a $M ranking in the breed of top 3%.

**Baldridge Colonel C251 :: Sire of Lots 80-81**

- Colonel put the Angus world on notice when he sold for an astonishing price of $580,000, and his genetics have been in high demand.
- He is the headliner in a growing list of herdsires produced by his world famous dam.
- He is the headliner in a growing list of herdsires produced by his world famous dam.

---

**Manage risk. Ensure value.**

In today’s market, every dollar counts. Trust in AngusSource to deliver premiums for your quality calves.

Be confident your Angus-sired calves are receiving the premiums they deserve by enrolling in AngusSource®, the USDA process verified age-and-source program offered by the American Angus Association.

AngusSource calves commanded a $2.56 per hundredweight (cwt.) premium over non-verified calves. On a typical lot of 650-pound steers, you've got nearly $750 to add to your bottom line. Call AngusSource at 816.383.5100 or download an enrollment form at www.angus.org/angussource to help manage your risk in today's market.

If you're among the first 50 cattle producers to enroll 100 head of Angus-sired calves in 2017, you will receive a complimentary VetGun™.
**Lot 80**

**GPAR COLONEL G16**  
**Birth Date:** 1/28/2019  
**Reg Num:** 19587556

- BALDRIDGE COLONEL C251
- HABR PENDLETON 765 J H

**Evaluations:**
- BW 65
- ADJ. WW 663
- RATIO ET

**Pedigree:**
- HOOVER DAM  
- BALDRIDGE QUEEN S87  
- STYLES UPGRADE J69  
- BALDRIDGE ISABEL 1935  
- S A V FINAL ANSWER 0035  
- H A R B LADY 375 J H  
- G A F RITO 837  
- S-H-B MERGER 1140

**Performance:**
- BW 65
- ADJ. WW 663
- RATIO ET

- We acquired these embryos sired by the $580,000 Baldridge Colonel out of the high-producing SHB donor Rita 9116. She is a full sister to SHB Pendleton 9201, who is arguably the top son of the popular HARB Pendleton out there and goes back to the SHB matriarch, Rita 3136.
- Safe for use on heifers.

**Lot 81**

**GPAR COLONEL G31**  
**Birth Date:** 2/8/2019  
**Reg Num:** 19587558

- BALDRIDGE COLONEL C251
- HABR PENDLETON 765 J H

**Evaluations:**
- BW 71
- ADJ. WW 743
- RATIO ET

**Pedigree:**
- HOOVER DAM  
- BALDRIDGE QUEEN S87  
- STYLES UPGRADE J69  
- BALDRIDGE ISABEL 1935  
- H A R B LADY 375 J H  
- G A F RITO 837  
- S-H-B MERGER 1140

**Performance:**
- BW 71
- ADJ. WW 743
- RATIO ET

- As popular as the Baldridge Colonel sire is, the best part of these ET sons might just be the Rita cow family back of them.
- Year in and year out, the Rita 3136 sons and grandsons rise to the top of the SHB bull pen.
- Safe for use on heifers.

**Lot 82**

**GPAR EPIC G13**  
**Birth Date:** 1/25/2019  
**Reg Num:** 19587527

- 3F EPIC 4631  
- GPAR LASS A65

**Evaluations:**
- BW 80
- ADJ. WW 803
- RATIO 113

**Pedigree:**
- VARILEK PRODUCT 2010 04  
- ZER0 QUEEN 1072  
- 5 A V BIRTHSTONE 8258  
- GPAR BLACKLASS BOX

**Performance:**
- BW 80
- ADJ. WW 803
- RATIO 113

- Amazing performance, body, and substance for a calving-ease prospect. Tied for top weaning weight bull and a bona-fide “good one.”
- His Birthstone dam will not disappoint when you evaluate her from any angle. He has a birthmark on his shoulder.
- Safe for use on heifers. DNA tested NH free.

- The first two lots are paternal sisters by the calving ease sire LT Affinity 6221 Pld.
- Polled – Open heifer – Twin to a heifer.
- This heifer is bred to milk and raise big calves.
- Out of a 7-year-old cow that raised both twins herself, weaning off over 1250 lbs. on pasture with no creep!
- Clean fronted with a lot of body depth.
- Dam's avg weaning ratio 4 @ 101, YW 2 @ 103, IMF 2 @ 113.
- EPD Rank: Top 25% CE, 15% low BW, 5% Milk, 25% MTL, 20% IMF

- Polled – Open heifer.
- Sired by the popular WC Formula bull, she got off to a rough start and doesn't have quite the performance of the others.
- Her dam is a good looking, young cow who is coming into her own. She produced a high seller at last year’s sale (full sib to this heifer)
- Very feminine in a nice package. She will make a great milking female for your herd.
- EPD Rank: Top 3% Milk, 6% MTL

Rafter DN Charolais, Dave and Nancy Condron of Powell Butte, OR. has been producing high quality, moderate framed Charolais cattle for over 20 years.

Focusing on the needs of the commercial cattlemen as well as success in the show ring, their cattle will work in many different scenarios across the Northwest.
The Condron's have been consignors to the prestigious Red Bluff Bull sale in CA for many years. They have had numerous champions in both the Range Ready and Halter bull divisions, and in 2019 they won these honors again!

We're excited about the three heifers they are bringing to the sale this year. They are from the heart of their replacement pen and are the type of females that produce winners!
