Kentucky Charolais Association Sale

SATURDAY • MARCH 7
SHOW NOON • SALE 4 PM
KENTUCKY FAIR & EXPOSITION CENTER
LOUISVILLE, KENTUCKY
Dear Friends,

Welcome to the 34th Annual Kentucky Farm Bureau Beef Expo! Through the ups and downs of the beef cattle market, the Beef Expo has held steady, averaging a million dollars in annual sales over the last five years. We hope this year’s event will be no different.

At the Beef Expo, cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. The leading beef cattle state east of the Mississippi River, Kentucky, truly is the place to be for the beef industry on the first weekend in March.

The Kentucky Department of Agriculture (KDA) is hard at work to help cattle producers succeed. The KDA works to upgrade beef and foreign markets for Kentucky Proud agricultural products, and last year I named a longtime leader in Kentucky agriculture, Tim Hughes, to head up our trade efforts. The Office of the State Veterinarian works with our partners at USDA, Kentucky’s two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks when they occur.

While you’re in Louisville, we hope you’ll take the time to enjoy Kentucky Proud foods in some of the dozens of restaurants in Louisville’s nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don’t hesitate to ask.

Sincerely,

Dr. Ryan F. Quarles
Commissioner of Agriculture

SALE LOCATION:
Kentucky Fair and Exposition Center.
Located just across the Watterson Expressway (I-264) from the Louisville Airport at the junction of I-65 and I-264.

LOT NUMBERS:
The tags on animals will correspond with the lot numbers printed in this book.

HEALTH PAPERS:
Each lot will have an individual health certificate. Out of state buyers should be aware of any special requirements and/or permits of their respective states. The Expo veterinarian will be available to assist with permits.

DELIVERY:
Consignors will help with trucking arrangements as much as possible. Cattle need to be moved as soon as possible after the sale. All cattle must be out by Noon on Sunday, March 4th. Please make arrangements accordingly.

INSURANCE:
Mortality insurance is available on your purchases. Please check with the sale clerks.

FOOD:
Food and refreshments will be available throughout the Expo.

LIABILITY:
Neither the Kentucky Department of Agriculture, the seller, sale managers, nor any other person connected with the sale assumes any liability, legal or otherwise.

SALE TERMS & CONDITIONS:
Cattle will be sold under the standard terms & conditions recommended by the American-International Charolais Association. The sale management is acting only as an agent & is not responsible for any disputes between the consignors & buyers. The sale management & facility assumes no responsibility for any accidents. Attendees do so at their own risk. EPD & Registration information were taken from the American-International Charolais Association website.

What an opportunity here, this little lady is a full sister to the HF Kendall 1436 heifer that was just named Intermediate Champion Female at the National Show. Her dam D&D Kennedy 1430 was the Reserve National Champion Female at 2015 National Show. Kasey is sired by the Canadian bred Big Creek Game Changer bull. This heifer has lots of the same features as her sister. She is stout in her makeup and sound from the ground up. Lots of potential here.

This May show prospect is “old school cool” when it comes to pedigree. Sired by the National Champion Turton and her dam is a Smart Choice out of the Shoestring donor that M&M had such great calves by for years. Tula has a nice profile, beautiful head and neck with added muscle and bone. Her dam is still going strong and will be 14 this year! Tula has an outstanding disposition and should be one that goes on to make a profitable cow for years.

This heifer is one of our first calves out of Special K and she won’t disappoint. She is soft made and very stylish. Her dam is a great milking Firewater daughter that will trace back to Jacob Miller’s super cow Katie. This heifer will be very competitive in that summer division. Halter broke and ready to go.

LaFraise Farms, Steve Bertsche, Flanagan, Illinois

Hailee is a super stout made daughter of the great producing bull, SHF Rehab 8104. She has tremendous thickness and is stout boned and big footed, but still remains super feminine and attractive in her design. She has the genetic build to work exceptionally well as either a producer of top quality purebred seedstock or to be a force in the club calf industry. She comes from our Marie cow family that has a reputation for producing great milking mother cows. She is due in April to our outstanding Outsider son, Outback 18E. A full sister to Outback was Third Overall Female in the Bred and Owned Show at the 2019 National Junior Heifer Show in Fort Worth.

Bred 7/14/19 to LaFraise Outback 18E, EM910316 and is safe in calf due 4/25/20.

Kehlani is a square hipped, big footed daughter of the Shaffer Charolais herd sire, SHF Rehab 8104. Rehab has been a sire of show ring champions for the Shaffer’s and is also the sire of the popular Cattle Visions promotion bull, SHF Addiction 1609. Kehlani’s Ledger mother is one of the prettiest uddered females we own. This exceptional brood cow prospect is due in April to LaFraise Outback 18E. Outback is from the Baidbridge Sweetheart 7M cow family that has produced so many show ring winners and sale ring toppers for Wright Charolais in Missouri.

Bred 7/4/19 to LaFraise Outback 18E ET, EM910316 and is safe in calf due 4/15/20.

This beautifully constructed daughter of the $125,000 WC Milestone 5223 has a great brood cow look to her. She is long fronted and angular, with a nice swoop to her belly that gives her a strong maternal look. Her dam is one of our stoutest made, heaviest milking females. Her mother is a former Illinois State Fair Grand Champion and National Junior Heifer Show division champion female. She is due in April to our herd sire LaFraise Outback 18E. He is an outstanding Outsider son out of our great donor cow, M&M Ms Fire Water 4017.

Outstanding prospect here! He was the calf at side when he and his dam were chosen National Cow & Calf Champion at the 2019 National Charolais Show. He has shown outstanding performance so far. His dam comes from the great D&D Kennedy cow family at Doub Charolais. He is sired by the MJ NS Tiago son Buster that is the main herdsire at Druin’s. He is semen tested and ready to go add pounds to your next calf crop.

This outstanding bull by a Ghost Rider son will sure impress. His dame is from a proven cow performance family. He has tremendous muscle and is extremely flexible in his skeletal design. We feel this young herd sire can add performance and eye appeal to a calf crop.

I just recently saw this cow in production and the pictures of her don’t do her justice. She has a beautifully constructed udder and you can tell by the calf at side she is pouring the milk – so the EPDs are right on this girl. This cow is just getting started, she’s the kind that will get more valuable as time goes on. This mating has no guesswork, proven on both sides. Expect Greatness.

**This female 604 is a product of 30 years of one cow family, 604 was an awesome show heifer, Georgia State Champion, but she is a better cow. Moderate with an awesome udder, 604 dam is the best cow we ever raised. We have 7 daughters in the herd and they will not leave here. This mating should be powerful, moderate, good footed and packed with muscle.**

My good friend found this heifer in a sale in Iowa. He said she would turn into a powerhouse of a cow and he was right. Super thickness and stout. We bought her to infuse some outcross genetics into our donor pen. Her first calf was the highest performing of our first calf heifers. This flush with 100 Proof should produce some show champions. It’s all here to get a good one for the Junior National in 2021 in Georgia.

This mating is one of those can’t miss opportunities. The dam of these embryo’s is a super stout, heavy milking daughter of President that is at the top of Candy’s donor pen. The sire is the legendary LHD Cigar that has sired over 3,800 progeny. The semen is in limited supply, so dont let this opportunity get by to own a Cigar.

*Sullivan Charolais, Candy Sullivan, Paris, Kentucky*
Since 1919, Kentucky Farm Bureau has been a steadfast advocate for farm families and rural communities across the Commonwealth who are the backbone of our economy and our way of life. As we move forward into our second century of service, we will continue to ensure the challenges and issues facing Kentucky agriculture are addressed by our leaders in Frankfort and Washington, DC. Why Farm Bureau? Because Kentucky farmers deserve a strong and unified voice.
