are available.

SALE SCHEDULE:
Friday, March 27
Cattle arrive for Viewing
Saturday, March 28
8:00 AM Viewing of Sale Cattle
Noon Lunch courtesy of H3 Ranch
& T.L. Lewis Ranch
1:00 PM Sale starts promptly
Dear Charolais Friends:

Welcome to the H3 Ranch and T.L. Lewis Ranch Production Sale! These two operations are only a few miles apart and neither are far from West, TX. But they offer intriguing consignments from different avenues of genetics.

The Huse family has been very successful in the showring, their daughter Lexi, has won many junior shows and placed extremely competitive in major Open Shows. You will find some outstanding young females from some of the newest genetics in the breed and a solid set of cows, like the Smokesters, Smoking Gun, Guarantee daughter and more. They are also sharing in their great donor and her dam with flushes and embryos. Sharing their herdsire will be a super investment in your future as well.

Tom and Patsy Lewis along with manager Leroy Sharp have devoted their herd to supply great commercial bulls for profitable cattle people. They have a foundation of older bloodlines that can hold their own today for shear performance and productivity. They have some great Fargo daughters and younger females along with some very proven cows, some in their very prime production years, and a few of their older very substantial producers.

You will enjoy visiting and obtaining some great Charolais on March 28th at the West Auction in West, TX. Please let us know if we can be of any assistance!

Sincerely,

Dennis Adams

SIRE: ENDSLEY’S DUECE 756  (M742495)  
DAM: TEL MS MAC 372  (F1075178)  

This bull has been a great foundation builder. His daughters have excellent udder quality, good frame size, length, and top dispositions. With his older pedigree he doesn’t get the true EPD picture, but he has proven to be a great investment into the future production. Morley’s great donor cow, Erma E216, was also used in some of the foundation of the Fink herd.

Selling a guaranteed Flush consisting of a minimum of 6 frozen embryos. Wiley is due the middle of April and buyer will receive first flush rights, if chosen. Wiley has a very enviable record campaigning on the show circuit. She was Reserve Division Champion at the 2020 Ft Worth Livestock Show, previously winning that title at the 2019 Ft Worth Livestock show and the prestigious 2019 Houston Livestock Show. She was selected as the Supreme Champion at the Candy Cane Classic and Reserve Supreme at the Navasota River Classic. Wiley also has a pedigree to backup her winning credentials with Fire Water, DR Stealth, Baldridge Sweetheart 7M, and the great donor at M&M, VCR Miss Duchess 433. 433 has 163 progenies registered with AICA show her tremendous influence on the breed. Wiley’s dam, 0011, is a paternal sib to one of the greatest show sires in the breed, M&M Outsider 4003. With the stylish pattern, great depth and spring of rib, and showing an excellent udder development, Wiley is sure to become a monumental influence on the breed and this opportunity enables you to be a part of it.
FIRST CHOICE OF ET CALVES FROM M&M MS 8122 0011 PLD BORN IN FEBRUARY AND MARCH 2020.

Four heifer calves are already on the ground and look fantastic! After studying Cool Wiley’s winning records, her outstanding phenotype, and correctness, you can see a great future for these outstanding ET calves awaiting the lucky buyer of this selection! And you get first PICK! 0011 is also a paternal sib to M&M Ms Carbine 1567, the dam of M&M Outsider 4003 Pld. She ranks in the top 1% for Milk and top 3% for MTL in breed EPD rankings.

2A: CHOICE OF MATING TO M&M OUTSIDER 4003 PLD - EM846631
One of the most dominating sires in the showring since TR Mr Fire Water 5792R ET. He has nearly 900 calves registered to him in mid-February. His calves have won in all major and local shows. A very complete sire, his calves by 0011 will begin with a running start!

2B: OR CHOICE OF MATING TO AWK ZKCC ALL IN 587C - EM881041
One of the newer sires in the show ranks, All In is described as one of the very up and coming sires. He descends from the legendary National Champion bull, Turton. And combined with the high-performance lines of Effertz Key Ranch, you know they will grow! A little bit of an outcross on this bottom side to add that exclusive opportunity!

Fertility tested, Selling ½ Interest and FULL possession. Seller retains a full ½ semen interest and will share in all semen sales and signings. His calves can be described as “awesome”. They come easily, grow fast, and have the eye-appeal, style, bone, and substance to be truly an impact on the breed. Sired by the impressive Rhinestone Z38, a sire of champions, you had the great calving ease combined with a dam, 1746, that is a full sib to some of the highest selling females in the Charolais breed and some of the winningest progeny in the breed. Thomas Ms Impressive 0641 is an institution in the breed for her productivity and awesome production. Most of the calves in the sale from H3 are sired by Cowboy, so it gives you a great opportunity to evaluate his progeny before you invest confidently in this elite sire.
Lewis Bulls

**TEL HARDROCK G29**

* Selling as Lot 4

Fertility tested, selling Full Interest and Full Possession. A very solid bull with plenty of credentials to sustain his ability to pass along superior genetics. The Duece 115 has been a very proven bull for Lewis Ranch and he has been used heavily in that program. The Rockbluff 708 was a Mac 809 son out of LaFraise Lisa Marie, a donor cow for the. The Duke Cigar 249 was a Cigar son out of JWK Erma 214, a Duke 914 x HBR Lady Performer 934!

**TEL ZAPATA G76**

* Sire of Lots 5 & 12

Fertility tested, selling Full Interest and Full Possession. Another great working-man bull, with good calving and birth weight numbers. Starting with just a 76 lbs BW and accelerating to a 744 lbs., 103 ration Weaning Wt. A grandson of the legendary TR Mr Fire Water 5792R and the tremendous influence of Wells Big Fella for profit- oriented genetics. Strong influence of Boscamp's Arrowhead genetics on bottom pedigree.

H3 Females

**MS PC SILVER EDITION 1832**

Sells Open, retaining one successful flush after her first calf. This beautiful heifer was designed for the showring and certainly has the credentials for it. However, she is developing into a very powerful, broody heifer with tremendous potential in the pasture. She combines two of the greatest showing sires in Outsider and Fire Water and very strong maternal ability from Easy Pro! Don't let this one get away!

**LH MISS CLASSIC**

Sells Open, a magnificent young female with tremendous credentials. Her dam also sells as lot 14, so you can evaluate the production of this top end family. This daughter of the National Champion Turton, combines eye-appeal, style, correctness to blend with production ability of Smokester, Nancy, and a top M6 Grid Maker cow. The Smokin Gun daughters were some of the top sellers at many of the Sale of Excellence sales.

**DCF MS FARGO 953**

Sells Open, these Fargo calves are fancy, eye-appealing, and structurally correct. With strong tops, good square hips and great dispositions. Tremendous numbers on this lady being very consistent across the board excelling in growth, maternal, and carcass. Cowboy 291 blended with Impressive D040 adds a great deal to the phenotype and ability to produce the great show prospects!

Sells Open, sired by one of Templeton's best sons, highlighted with the Sweetheart 7M proven genetics. Good calving ease and BW numbers combined with strong growth and performance. HF Snake Charmer sired some tremendously good-looking offspring. The Helga SJ433 traces to Cigar and a Ali Mark cow for a very time-tested and proven pedigree. This heifer will make an awesome female in the pasture.

Sells Open, the Max 510 bull is rapidly becoming a well-known sire for his outstanding progenies. A son of the legendary JDJ Ms Dynasty L428, featured donor cow at Rick & Cindy Evans. Cody Deen was so impressed he bought an interest in 510 and bred this heifer. He has a full sister still in the herd. The Safeelite cattle are so impressive as witnessed by the photo of the maternal sib to dam of 9505, Miss Real Safe 505 ET.

Sells Open, Sarah comes from a great milking broodcow, that sells as Lot 21. Aires, a Fire Water son has added great length, depth, and style to his calves. Her dam has the size, frame, and stature to raise big, powerful calves like Sarah. The Ducee 115 has certainly worked well and the Crossover bull from Eggelston's, a blend of EC No Doubt and Grid Maker has greatly dominated the maternal ability.

PE to AWR Urban Cowboy 721, lot 3, for spring 2020 calf. A beautiful broodcow with excellent udder quality you expect from Smokester daughters. Ranks in the top 15% Milk EPDs for the breed. Lexi has kept the 2019 daughter of C59. Hurricane's dam, Miss Duke 2427 had 44 calves registered with AICA. She was a donor for Colomb, Evans, Lehman, and Double O Charolais. 4-full ET bull sibs topped Colomb bull sale one year!

**PE to AWR Urban Cowboy 721, the great Rhinestone Z38 son!** Good functional numbers on a very sharp, productive brood cow. In the prime years of production, 4023, she should be a tremendous addition to any herd. H3 has retained her 2019 heifer calf as proof of her value to their operation. Definitely has the potential to raise a fancy show prospect!

Sells with heifer calf born 3/3/20, sired by AWR Urban Cowboy 721. Reality offspring has become well sought after as they have the performance, style, and productivity for success. Safelite M620 was one of the thickest, stoutest bulls in the DeBruycker line-up. S468, his daughter, was a great producer for Hudspeth and D&D Charolais. 505’s daughter sells as Lot 11 for a complete family evaluation. A cowman’s cow!
19A: Fall 2019 Bull calf, sired by ____________________________. Sells bred to AWR Urban Cowboy 721 for a fall calf. Bred by Hankins Farms, MO., this represents some of their foundation pedigrees. Even traces back to an Arlitt JWK Impressive x Duke 914 cow.

26A: Bull calf # H77, born 1/20/20, sired by TEL Duece 115. Cigar 927’s dam is a full sib to WCR Sir Duke 761, and RBR Ms Rockbluff 207ET is a full sib to the dam of lot 25. Powerful pedigrees with these solid foundation genetics. 1282 has a very good calving interval as well, 1/15; 2/16; 1/17; 1/18 and 1/1/20. EPDs won’t be as good on these older cattle, but they probably can out produce many with much higher numbers!
**Lewis Females**

**TEL BARIE 1529**

F1201396 1529 DOB: 2/2/15 POLLED

| Bred A-I on 1/27/20 to TEL Blues Ease 1501, M858760. Another great foundation pedigree with classic proven genetics. Ranks in the top 9% for Milk EPDs in the breed, and with this pedigree there should be no doubt about the maternal ability of this top young cows. Bottom pedigree is Duke 914, Mac 828, Unlimited Ease 9108, so well qualified for productive genetics. |

**TEL TIVA D17**

F1224466 D17 DOB: 10/5/16 POLLED

| 28A: Bull calf # H07, born 1/6/20, sired by HEH Uncle Bill HB66, EM881917. An ET bull by Cigar out of a Pick of DeBruycker, BHD Ms Silverlite P232. Another strong maternal pedigree with Bluegrass, King Grazer, Duke 261, and Unlimited Ease 9108, some of the stalwarts of Charolais maternal side. This young cow just turned 3 years of age so she has unlimited potential for several years! |

**CB IMPRESS 3557 P**

F1172636 3557 DOB: 1/30/13 POLLED

| PE from 4/20/19 to 9/1/19 to TEL Blues Ease 1501, a very strong Bluegrass son. Impress excels in Milk EPDs ranking in the top 15% and top 35% for MTL. The LHD Ms Classic W180 was a featured donor cow for Jack Moore’s M6 Ranch. She was the dam of LHD Fernando Mark Z29, a featured herd sire for DeBruycker and M6. W180 had nearly 50 calves registered to her and was used in many herds, including D&S, NC. |

**TEL BARIE 1529 Selling as Lot 27**

**LT BLUEGRASS 4017 P**

Grandsire of Lot 28

**CB IMPRESS 3557 P Selling as Lot 29**
30: Bull calf # H109, born 1/14/20, sired by DCR Solution W13, M780258. CB IMPRESS 3558 P, a son of EC No Doubt, and owned by ABS Global, Inc, Hubert Charolais, Doll Charolais, and Brent Brogerg. A paternal sib to lot 29, blended with the extra calving ease of Eatons Pioneer genetics. Moderate growth, but very important calving ease blend for breeders needing that extra assurance.

31A: Heifer calf # H113, born 1/20/20, sired by DCR Solution W13. Martina's dam is a paternal sib to the dam of Lot 30 for those looking for some uniform genetics. They are keeping her 2019 daughter by RBM Fargo Y111, so you know they have had good performance from Martina. Schurrtop genetics have excelled in performance and carcass merits.

32B: Bull calf # H104, born 1/14/20, sired by DCR Solution W13. Murrorn traces to several top Canadian bulls brought in by Boscamp's Arrowhead Ranch for Serhienko Cattle Co. Her dam, 2274, had 9 calves with a CI of 3/05; 3/06; 3/07; 11/08; 10/09; 10/10; 10/11; 3/13; and 2/14. To show the fertility of the cow family, her granddam, FF Miss Impressive 8050, had 8 calves and all was with natural breedings.

33: Heifer calf # H114, born 1/20/20, sired by DCR Solution W13. Very similar genetics with lot 32 with the Canadian influence. Good numbers enhance her value and bred to the good Firewater son for more growth and eye-appeal. Bottom side traces to WCR Sir Duke 835 a great foundation sire with over 500 progenies registered with AICA and SCC Perfect Courage and JSC Del Rio, both many time Champions on the tanbark and Trait Leaders.
Successful using Mr Eliminator 2210 in their program. Bulls used very heavily in developing the polled genetics in the breed. M6 was very that descended from Polled Unlimited 003 and Camelot one of the foundation polled bulls. Another great 38A: Pld heifer # H17, born 1/14/2020, sired by LT Stagecoach 8086. Good calving ease and birth wt numbers along with good growth and performance. Bottom pedigree traces to Camp Cooley using Schurrtop 5627, sire of LT Wyoming Wind 4020, and their top donor program featuring WCR Miss Perfection 1107. Hubert Polled genetics and Serhienko's Canadian influence completed the pedigree.

Middle genetics and Serhienko’s Canadian influence completed the pedigree.

Bottom genetics. With the many time AICA Trait leader for Milk, Duke 295 and Monte Bull sale in Nixon, TX. The dam goes back to Duke 261 and Duke 295, both superb former AICA Trait Leader and his sons sold well for many years at the Rancher’s Choice Endsley’s Duke Stone was a PE from 4/24/19 to 9/1/19 to TEL Duece 115, M817041.

36A: Pld heifer calf # H101, born 1/9/2020, sired by DCR Solution W13. This cow has the influence of Keys Tenacious 166S, known for excelling in the tenderness genetics. She is also carrying genetics of DeBruyker, Hubert, Lindskov-Thiel, Serhienko, and CJ Ranch. Lots of maternal genetics from Solution with Grid Maker, Duke 914, and linebred LHD Mr Perfect Y416 Pld.

Sells Open, out of our very successful herd sire by LT Bluegrass, this combination has worked very well for us. Very good numbers to work with and she can go right into your spring breeding program. The good Rockbluff sire is also a great asset to this pedigree.

Sells Open, what a great opportunity to add several of this highly rated Fargo daughters to your herd. With their outstanding numbers, you can really develop a strong herd for EPDs. She excels all across the board from CE and BW to growth, milk, and total maternal numbers. A solid pedigree from her dam reinforces her value to a herd building program. Dam sells as Lot 41.

**Sells Open,** don't you hear opportunity knocking on this great set of heifers? Powerful pedigree accepted anywhere in the nation! Excellent numbers, gorgeous profiles, great pedigree and solid performance makes Ms Fargo and definite YES! Take these Fargo's and Smokey daughters home and develop a herd built around tremendous pedigree, maternal ability, and numbers! Dam is the great Rockbluff ET donor cow, 206ET!

**Sells Open,** ready to breed in your 2020 spring program. As solid maternal program as you can find in this superior lot. Smokey is a many time AICA Trait Leader for Milk, REA, and Fat EPDs. His daughters usually have some of the best udder structure in the breed. Guess what, another Rockbluff donor influence in the dam, 207ET. Good numbers to match the conformation.

#### 54 TEL MS SMOKE G02 TWIN

**Sells Open,** Dam sells as Lot 40, you can evaluate the whole family. Very good numbers from a very proven pedigree of super productive Charolais bloodlines. P232 donor cow of Heath Hyde's has an enviable record in several herds for producing herdsires. Ask Heath about full sister to Uncle Bill and I doubt seriously he would sell one. They are now the heart of his program.

**Sells Open**, more good numbers on this impressive young female. She has the homozygous Polled sire, BHD Asset B178 in here pedigree, a bull becoming noted for calving ease and great milking daughters. Gage Cattle and Feed in OK own the dam. The Muffin cow family has been a great producing family.

**Sells Open**, the Hi Dollar B72 bulls was added as an outcross to our program and is working very well. The very bottom of the pedigree is almost exclusively Wienk genetics and Endsley's, and the top Lindskov-Thiel for an excellent combination of productive beef cattle.
Thank you for your interest!
