ZEHNDER WAAGE PARTNERSHIP

BULL SALE
MARCH 28, 2020 - 5 PM - GREENBUSH, MN

CHAD ZEHNDER: 612-554-2154
RYAN WAAGE: 218-689-1530
ROSS WAAGE: 218-689-2832
Welcome!

We invite you to attend our annual Zehnder Waage Partnership bull sale on Saturday, March 28th. While 2019 certainly threw a curve ball or two at us all, we have been blessed with a great winter and it looks like spring is around the corner.

This year’s offering provides an outstanding group of performance bulls that will add value to a set of feeder calves at sale time, as well as a number of bulls suitable for heifers. We stand behind the bulls we sell not only with a solid guarantee, but with the confidence to place a number of the resulting progeny on feed ourselves. Bid with confidence that we will be here after the sale to support you in your purchase and program. Please be sure to contact us when you are selling your calves and allow us to assist in that marketing process. We are sincere in our commitment to help you achieve success in your operation. Our goal is to provide a positive bull buying experience that goes well beyond the initial purchase.

The bulls have been developed to assure longevity and soundness. We do not attempt to feed to the heaviest weaning or yearling weights, but rather strive to develop the bulls in a fashion so you will be as satisfied with bulls on the day you pull them from the pasture as the day you turn them out. This year we made the decision to DNA test and offer Genomic Enhanced EPD’s on every Charolais bull in the sale, thus providing parentage verification and stronger confidence and accuracy in the EPD profile of the bulls.

Please plan to join us on March 28th at Waage Farms in Greenbush. The bulls are currently available for viewing at Waage’s Strathcona location and will be available for viewing at the Greenbush farm all day on March 28th. We understand this is a busy time of year, if you cannot make the sale, we can handle your bids in confidence or join the sale through DVAUCTION.com. Please do not hesitate to contact us with any questions prior to the sale.

Join us for a meal and socializing after the sale!

Meal catered by Famous Dave’s Barbecue.

CHAROLAIS BULLS

Terminal Sire Index (TSI)

The AICA Terminal Sire Index (TSI) is a formal method of combining Expected Progeny Differences (EPD) – BW, WW, YW, REA, HCW, MARB and FAT – into a single value on which to base selection decisions. The TSI uses estimates of the genetic relationships between traits with an economic default value based on three year rolling USDA data.

The TSI represents a dollar index per terminal progeny produced for a bull in the AICA database, ranking them for profit potential. This dollar index is to be interpreted much like single trait EPD. For example, if Sire A’s index is $191.66 and Sire B’s index is $200.00, then we would expect Sire B’s offspring to average $8.34 more net return ($200.00 minus $191.66) than Sire A’s offspring.

WDZ STRATHCONA was the lead bull in our 2020 Denver Pen and caught the eye of numerous astute cattlemen and breeders. A true combination of calving ease, performance, and phenotype. This calf is big footed, wide based and attractive in his design. His first calf heifer dam is a beautiful WCR Kingsbury daughter with a bright future in our program. Ranks in top 9% of breed for BW, while remaining in top 20% of breed for YW and TSI. This is the type of bull that can take a program in the right direction in a hurry.

This powerhouse RBM Fargo son will add stretch and pounds to a set of feeder calves. He ranks in the top 6% of breed for WW and YW and top 5% TSI while remaining in top third for calving ease. A maternal brother was selected out of our 2017 sale by Dave Mason at Prairie Valley Farms in Platte, SD.
Starting at a modest 80 lbs, this stout made, big hipped Resource son ranks in the top 15% of breed for BW. His dam, who was the champion female at the MN State Fair, stems from the WDZ KF Twizzler cow family that has produced numerous top sellers in our previous bull sales.

Starting at a modest 100 lbs, this moderate framed, big middled son of WDZ Kingsman 737. You will appreciate the muscle and shape of this calf. We used his sire WDZ Kingsman 737 on our heifers last year with much success.

This unique Fargo son offers an intriguing pedigree and EPD profile, ranking him in the top 7% for WW and 9% YW and top 20% for calving ease and TSI. His young M6 Bells & Whistles dam is impressive and hasn't missed her first two times out the gate, with Didrikson Farms selecting a son out of last years sale. A bull we believe has true potential to move a program forward.

Out of a first calf Rushmore daughter, he started at a modest 84 lbs and grew to 823 lbs at weaning. Rock solid calving ease with WCR Commissioner on the top side and LT Rushmore on the bottom side of the pedigree. Top 3% calving ease and BW.
Another WCR Commissioner x LT Rushmore son that weaned at 815 lb with a BW EPD ranking him in top 3%. Confident calving ease with performance.

These WCR Commissioner calves have come easy and are the right shape at birth. A smooth shouldered, long spined bull that will add length and weight to a set of feeder calves.

A big centered, stout made Resource son that started at a modest 79 lb at birth and ranks in the top 8% for calving ease. Streif Farms in Iowa purchased a full brother in last years sale.

One of the heavier weaning weight bulls in the offering, this calf does a lot of things right. He is powerfully constructed, good footed and big topped. Very balanced EPD profile, offering moderate birth while maintaining performance. Top ranking scrotal bull in his contemporary group.
Here is an outstanding son of the now deceased PVF Ridge. This calf offers a very versatile pedigree that is an outcross to most mainstream genetics. He ranks in the top 15% for WW, top 20% for YW and 15% for TSI and weaned at 820 lbs to ratio 108. Beyond his paper work, he is powerfully constructed, stout featured and does so in an attractive package. Matt Ranch in SD selected a maternal brother out of our 2018 sale.

A powerhouse son of the ever popular M&M Outsider and out of the 2017 AIJCA Jr National Reserve Junior National Champion. He offers added performance, weaning at 849 lbs and offers a balanced EPD profile. He is ultra-attractive made, smooth jointed and sound footed. This bull transcends performance, profile and power in a one package.
Out of a first calf heifer, this WC Ledger son ratioed 110 at yearling posting a 1462 lb yearling weight. Top 25% of breed for weaning, 9% yearling and TSI. A big topped, smooth shouldered bull.
