His dam is out of the many time AICA #1 Multiple Trait sire, New Standard 842, and his dam is the newest compliment to Reaves exclusive ET program, Germaine 1145. A flush in 1145 sold in the 2019 Appalachian for $4,000.00. He ranks in the top 25% for WW, 15% for YW, 36% for Milk, 20% for MTL and 1% for SC. Also ranks in the top 8% for TSI for breed EPDs.
Selling Full Interest and Full Possession, Fertility tested. A unique pedigree of proven donor cows and widely accepted herd sires, this bull offers a great deal. His dam is the 403 cow that topped the Virginia Herd Improvement sale in 2015 at $6,000 as an open heifer. An own daughter of the great Rich Lady that was so successful for Mike King and Virginia Tech’s ET programs. Mr Perfect always sired tremendous females!

Selling Full Interest and Full Possession, Fertility tested. Dam was the 3rd high selling Open heifer in the 2015 Southern Connection sale at $3600.00 The 3313 donor cow has produced many of the top selling progenies for Jason Blackwelder. Full Throttle was one of Duke 914’s best sons for proven ability. His dam also produced Kyle herd sire M6 Led Weight 609, that become an AICA Trait Leader. Resource is one of the more popular bulls in the industry and showing.

Selling Full Interest and Full Possession, Fertility tested. Sired by the very complete and smooth Wind 311, herd sire for Fox Hollow Farms, OK, this impressive bull will add tremendous eye-appeal, growth, and style to your calves. His dam traces back to the D040 donor cow, M6 Ms Impressive 8380, the dam of many time AICA Trait Leader for Rib Eye, M6 Big Top 268. Definitely one to evaluate closely for superior production.

Selling Full Interest and Full Possession, Fertility tested. One of those great Sly sons that have dominated so many bull sales in the S.E. These cattle just flat work well for cattlemen without problems. Extremely easy calving and yet powerful growth. His dam is about picture perfect as you can find for a Beef Brood Cow! She has a perfect udder. The Zeus genetics are well known for calving ease and performance.
Selling Full Interest and Full Possession, Fertility tested. Sired by one of the most eye-appealing sires to come out of the DeBruycker program. Equity was the high selling bull at $32,000 in the 2013 DeBruycker bull sale. He also produced the $50,000 high selling BHD Asset in the 2015 bull sale. His dam by the homozygous polled Maximo, was a top selling heifer in a Virginia Herd Improvement sale out of the highly productive 3313 donor!

Selling Full Interest and Full Possession, Fertility tested. A very thick, well-balanced bull with good length, size, and disposition. A royal pedigree which helps insure his ability to sire those tremendous progenies. Notice the very good CE and BW EPDs along with the big YW, and good Milk EPDs to rank well for the breed. Strong maternal genetics will help make his daughters good additions.

Selling Full Interest and Full Possession, Fertility tested. The youngest of the bulls selling, this grandson of the popular Venture bull shows the great style and thickness his progeny is noted for. This bull represents a good opportunity to take him, grow out in your environment and have him ready for fall breeding. His natural thickness and obvious quality make him worthy of the investment!
This magnificent first calf heifer shows why she should be considered for flushing! She has a perfect udder, has a phenomenal heifer calf at side by Sparrows Braxton. She topped the 2019 Sale of Excellence as a bred heifer at $9750.00. Her dam, B2011, was a "Pick of DeBruycker's" and has turned into a fabulous donor cow. She averages 27 embryos per flush. (3-embryos sell as Lot 66). She had several ET calves in the 2019 sale also that were the highlight of the sale. She has a heavy influence again this year. Her dam, JDJ Ms Spur R160, is also one of great cows in the DeBruycker program. R160 is also the dam of herd sires, JDJ Resource Z365 P, JDJ True Mark T39, and JDJ Duplicity Y420 to name a few. Also, some powerful full ET sibs to B2011. Ms Kincesm and her fancy baby will be on display at the sale for you to evaluate one of the most impressive young cows in the breed!

15: Pld bull calf born 1/24/20, sired by M6 Fresh Air 8165 P ET, M812256. A great Cigar daughter out of Double-H’s great cow family, Elvira 120M. This powerful bull calf already shows tremendous thickness and growth. A great working cow that has a valuable coupon at side to make a herd sire for you or definitely a great investment, possibly pay for the whole package.

16: Bred for fall 2020 calf to Reaves Mr New Germaine 0802, EM 920970, a M6 New Standard 842 son out of the great donor, Germaine 1145. Superb EPDs on this female, top 15% for YW and Milk, 9% for MTL, 15% SC and TSI for breed comparisons. This long-bodied cow has a strong top, skeletal correctness, and quality udder.

17: Pld heifer calf born 2/2/20, sired by CCC WC Resource 417. This deep-bodied, high volume cow maintains a great profile, good udder quality, and has a sharp show prospect at side. Good numbers across the board in all traits for a very productive broodcow. The Maureen cow family has been a stalwart producer for Reaves with her offspring used in many herds all over the U.S.
Due 3/24/20 with sexed heifer semen from WC Milestone 5223 P. This big, stout cow should be a great compliment with Milestone. Her dam was sold to Wild Indian Acres and he later sold her to Double-H for their ET program. She traces back to the great Duke 248 donor cow that Double-H and Southern Cattle derived some great progenies from. Milestone, a top price commanding sire from Wright’s has become one of the more popular sires in the breed!

19A: Bull calf born 3/10/20, BW 88, sired by DC/BHD Finance E2500 PET, EM906675. Finance traces to Candy Sullivan’s great donor, BARA Ms M09 President 13Y P, a daughter of CJC Mr President T122 x a Mac 809 out of the legendary $25,000 NF Agatha 9581 donor cow. 342 ranks in the top 3% for WW, 15% YW and MTL, to 2% REA, 15% Fat, and 20% TSI for breed EPD comparisons. Cool Rep 8108, is one of the greatest sires used at M6 and a maternal sib to SR/NC Field Rep 2158 P.

Bred safe A-I on 10/14/19 to L T Sundance 2251 Polled, M820210. A rich history of genetics here, CF Lady Cigar 812 topped a Bill May sale for Crews Farms, going to Jason Blackwelder and Keith Stocum. She turned into a fantastic donor cow and was flushed to LHD Ali Mark, one of the all-time great sires of foundation genetics. This female ranks in top 15% for both CE and BW EPDs along with top 6% Milk, and 20% MTL for the breed.
Due in fall 2020 to DC/BHD Finance E2500 PET. These Gridiron cattle had tremendous thickness and volume. He’s a bull that was never used enough in the breed! The Smokester and Dakota Wind genetics will add tremendous Maternal ability with good udder quality. SC Shadowbrook 4 ET, was a featured donor cow and her daughter, 675 was used heavily in the Spring Ridge program.

Sells bred A-I on 12/5/19 with sexed heifer semen from CCC WC Resource 417 P. Good numbers reinforce the desirability of adding this top prospect to your herd. The ultra-productive donor, Vanessa G224 ET reflects a tremendous advantage with 38 calves registered with AICA. She produced for elite herds like D&S, NC, Derry Wright, MO., and Oak Hill Farms, GA. A heifer by Resource would make an awesome show prospect or broodcow.

Sells bred A-I on 12/5/19 with sexed heifer semen to WR Foreman D602. Rena 002, the dam, is the maternal granddam of lot 23 so you can see the power of this prized offering. Foreman has proven to be an exceptional calving ease bull. The Fresh Air daughters have made tremendous broodcows, with good udder structure and plenty of fleshing ability. 8165 is also a maternal sib to SR/NC Field Rep 2158 and M6 Cool Rep 8103 ET.
Selling 4-Embryos from mating of LT Wyoming Wind 4020 x RHC Vanessa 102 ET. A very rich pedigree of some of the most important genetics in developing the breed to its status today! Cigar on Duke 914 daughters has been one of the best matings in the breed. D029 has a whole legacy of production behind her. Wind created additional style, eye-appeal, and skeletal correctness to the breed.

Selling 3-Embryos from mating of LT Ledger 0332 P x RHC Vanessa 102 ET. Ledger has used heavily in the breed and is in the top 8% EPDs for CW and top 20% for Marbling. He adds smoothness and correctness to his offspring. Ledger used on Cigar cows has worked very well!! These embryos are stored at Large Animal Services, Greeneville, TN (Mitchell Parks, DVM).

Proven opportunities to take your program to the top!
Sells safe in calf 4½ months on 1/4/20 to Bamboo Mokie 6353, M893508. Mokie is a son of Bamboo Ledger of F216 2323 ET, the bull that his photo is used AICA website. His dam is Three Trees Vanna 1981 ET. Ease is out of a most productive donor cow at Welcome Grove, MR Ms Impressive 405, that has produced several champions for Welcome Grove. An outstanding LHD Cigar cow!

Sells safe in calf 2½ months on 1/4/20 to Bamboo Mokie 6353, M893508. Cool Rep has been one of the most powerful performance bulls in the industry. A maternal sib to Wind 0383 and Field Rep 2158, he descends from a very stout maternal cow family and profitable genetics! Dam is sired by Candy Sullivan’s ultra-thick Bourbon X123 straight DeBruycker bloodlines blended well with Wienk’s genetics.

29A: Pld Bull calf # 1914, born 9/2/19, bw 85, sired by RBM Fargo Y111. Bred A-I on 1/20/20 to RMB Fargo Y111. One of the strongest maternal lines you will find in the breed. Very balanced numbers including a top 25% for WY and MTL, top 5% for REA, 15% F AT, and 20% for TSI EPD comparisons. The bull calf will have out of the world numbers with the stout Fargo numbers blended.
Should have calf by sale day, sired by Bamboo Mookie 6353. Very good, balanced EPDs for solid production and consistency. Royce daughters have super udder quality and again the great Welcome Grove donor cow, Ms Impressive 405 for maximum production and maternal ability in this super offering. She also traces to the great $50,000 JWK Ruby E205 on the sire side and ultimately traces to the legendary HBR Lady Performer 934!

Should be close to calving right after the sale, 5 ½ months safe 1/4/20. Lorie's dam has a very impressive calving interval, 1/05; 1/06; 3/07; 9/08; 9/09; 9/10; 8/11; and 8/12 for a super display of fertility! New Standard has continued to be one of the all-time great AICA Mutliple Trait Sire leaders. He has 1,713 progenies registered with AICA. No telling how many daughters have been flushed and sons as leading herd sires in many herds!
