Because of current conditions related to the Coronavirus situation and our concern for the safety of bull buyers and our crew, we have decided to make the 9th Annual Wagner Charolais Bull Sale a video only sale with online and telephone bidding.

**The sale will be April 14, 2020 at 1:00 pm Mountain Time.**

Although the sale will not be at the ranch, bulls can be seen at the ranch anytime before the sale day. Just give us a call (970) 420-2336 and come make your selections.

Free bull delivery or get a **$100 per bull refund** if you can pick up your bulls by May 1!

Catalog, Videos and bidding information are available online.

Go to: **wagnercharolais.com**

Please call us if you have questions or need more information:

Bob & Jan Wagner
WAGNER CHAROLAIS

9th Annual Bull Sale

18025 County Rd 128
Nunn, CO  80648

APRIL 14, 2020
1:00 PM
Welcome to the 9th Annual Wagner Charolais Bull Sale

We are pleased to welcome you to our 9th sale and the first sale we are having at our ranch.

We calve exclusively in the Fall, so our bulls are 18 – 20 months old. The bulls in our sale come from a strong base of easy doing cows. Calving ease is a high priority for us. Our bulls are born on pasture, raised on pasture and are being sold off pasture. They never see a feedlot. They walk to their food and, as a result, are in good shape, have good feet and legs and can cover cows in the roughest pastures.

Our feed program is pasture and hay which we supplement with cake and flaked corn. We think this year's bulls are among the most uniform and best conditioned that we have ever offered.

We pride ourselves on having docile bulls, which is the result of both selection and management. Working the bulls from the time they are young calves with our dogs really helps make them easy to handle.

Our program owes a lot to Dennis Metzger, our auctioneer, who helped us assemble our original herd and who continues to provide help and guidance. We also want to thank Clint Kaufman and Chris Probst for keeping things running on the ranch.

We hope you enjoy the sale and find the perfect bulls for your operation. There are bulls in the sale for every need, including high performance with calving ease. At this point in the cattle cycle, Charolais bulls are real money makers and offer great muscling, rate of gain, feed efficiency and hybrid vigor in their calves.

Thanks for being a part of our sale.

Bob & Jan Wagner
SALE LOCATION
Wagner Ranch
18025 County Road 128
Nunn, CO 80648

AUCTIONEER
Dennis Metzger: (816) 519-8208

SALE DAY PHONES
Bob Wagner: (970) 420-2336
Ty Groshans (AICA): (970) 818-6016
Bill Angell: (970) 396-5594

INTERNET
The sale will be carried live on the internet by Superior Productions - see next page

ACCOMMODATIONS
There are a number of nice motels nearby in Cheyenne as well as Fort Collins & Greeley.

FREE DELIVERY
Take bulls on sale day - deduct $100 per bull!

GUARANTEE
All bulls are guaranteed to be fertile and to be sound. Bulls discovered to be unfertile during the first breeding season will be replaced or a credit given for our 2021 sale.

PERFORMANCE DATA
Birth weights presented in the catalog are actual weights. Weaning and yearling weights are adjusted weights, adjusted to 205 and 365 days, respectively. The EPDs listed here are from the Spring of 2020. Announcements during the sale will supersede information presented in this catalog.

REGISTRATION TRANSFER
We will transfer papers to you at no cost. Please give the clerk the name to which you want the bulls transferred and your Charolais breeder number if you have one.

HERD HEALTH
All bulls are vaccinated with Pyramid 5 and Bar-Vac 7 and are poured with ProMectin B and Clean-Up. They will have proper health papers for interstate shipment sale day. All bulls will be Trich tested.

QUESTIONS
If you have questions, contact:
Bob Wagner (970) 420-2336
bob@wagner-ranch.com
Dennis Metzger (816) 519-8208

HOW TO PARTICIPATE AS AN 
ABSENTEE BUYER

We have made preparations to bid and buy your livestock through Superior Productions’ “Call or Click-To-Bid” service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE’S HOW IT WORKS

Viewing the Auction. The sale will be broadcast live on the internet in Hi Definition at both www.superiorlivestock.com and www.superiorclicktobid.com – just go to the home page of either site and select the auction. If you would like to turn in bids over the phone the simplest way to watch the auction is from the homepage of www.superiorlivestock.com – you can even watch the auction on your smart phone or tablet from there.

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab at the top of the homepage titled “Register for a Buyer Number”. Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer’s number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is our online bidding platform where you are able to turn in bids by “clicking” on the internet. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the auction you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for. You will then be able to bid online. You may also register here and call Superior’s office afterwards and receive your buyer number and the bid line number in case you want to bid over the phone.

Bidders who are successful in making purchases will be contacted by the ranch after the sale to settle payment and discover your shipping plans. IF YOU NEED ANY ASSISTANCE PLEASE CALL SUPERIOR AT (800) 422-2117.
Birth Weight (BW)
The expected difference in average birth weight (pounds) of progeny. Birth weight reflects prenatal growth, but is greatly affected by environmental conditions.

Calving Ease Direct (CE)
Calving Ease is expressed as a difference in percentage of unassisted births in first calf heifers. A higher value indicates greater calving ease. It predicts the average difference in unassisted births with which a sire's calves will be born when bred to first-calf heifers.

Calving Ease Maternal (MCE)
Calving Ease Maternal is expressed as a difference in percentage of unassisted births in first calf daughters. A higher value indicates greater calving ease. It predicts the average difference in unassisted births with which a sire's daughters will calve as first-calf heifers when compared to daughters of other sires.

Weaning Weight (WW)
The expected difference in average weaning weight of calves. The evaluation reflects the genetic influence on pre-weaning growth rate. Weaning weights shown are adjusted to 205 days.

Yearling Weight (YW)
The expected difference in average yearling weight of progeny. The evaluation reflects genetic influence on both pre-weaning and post-weaning growth rate. Yearling weights shown are adjusted to 365 days.

Maternal Milk (M)
The genetic ability of a sire's or dam's daughters to express in pounds of weaning weight in her calves due to her maternal ability through mothering instinct and milk.

Terminal Sire Index (TSI)
Terminal Sire Index (TSI) is a method of combining Expected Progeny Differences (EPD) – BWT, WWT, YWT, REA, HCW, MARB and FAT – into one single value. The TSI represents a dollar index per terminal progeny produced for a bull. For example, if Sire A's index is $171.66 and Sire B's index is $180.00, then we would expect Sire B's offspring to average $8.34 more net return ($180.00 minus $171.66) than Sire A's offspring.

SUMMARY: BW - small is good. All others - big is good.

This symbol means that the bull has been genomically tested (50K) and, therefore, its EPDs are “genomically enhanced.” What this means to you as a breeder is not that the EPDs are “better,” but that the EPDs are more accurate and, therefore, more reliable.

# Sale Day Schedule

11:00 - Bulls will be available for viewing

11:30 - Lunch service begins

12:00 - Dog demonstration

1:00 - SALE
**BORDER COLLIES**

We make extensive use of well trained Border Collies to work our cattle. The dogs can gather and move cattle with minimal stress, bring them to the corrals without upsetting them and help sort them gently and calmly. They are a key part of our low stress handling system.

We breed, train and trial (cattledog trials) our dogs and are founding members of the National Cattledog Association. Our top dogs right now are Ike and Zoe (Jan's dogs) and Slik, Zig and Slink (Bob's dogs). All are qualified for the 2020 NCA National Finals, which will again be held in Cheyenne, WY.

We would enjoy showing you how we train and use our dogs and might have a dog for you. There are often dogs at the ranch available for sale, most often started dogs. Visit our website: wagnerbordercollies.com.

This year we will be putting on a little dog demo before the sale. It should start around noon. Come watch Slik, Zoe and their kennel mates and get to know the dogs.
