THE SALE OF EXCELLENCE

JUNE 20

2020

BRAZOS VALLEY LIVESTOCK COMMISSION CO.

BRYAN, TEXAS
Dear Friends

2020 will certainly go down as a much different year than what most of us had planned. What hasn't changed is the dedication of the Charolais breeders to continue breeding and merchandising high quality cattle. The resolve and spirit of the agricultural community always comes through as the backbone of the nation. Therefore, we have again planned a great 21st Sale of Excellence with a few changes to make it all work. I truly believe we have the best set of cattle from end to end that we have ever had in a sale. I made this comment to a friend and they said, "you always say that". That's probably true, but I sincerely believe our breeders are coming through with a better set of cattle every year and more of them! We have several lots representing some of the high sellers from previous years, like the B2011 and her bred heifer from last year D3116, that continue to justify their place in the breed. Like the RE Ms. Duke 745 that topped the sale a few years ago at $15,000, ($17,5000 with calf), that has 6 exciting daughters in the sale. And some new powerful genetics like the Dam of DC/BHD King F2503, the high selling Bull in DeBruycker 2019 bull sale, what an opportunity to add a major donor to your program. The choice of all Braxton bull calves born in spring 2020 from all the syndicate members, I don't ever remember something like this happening in the breed! We have a tremendous educational program for you Friday evening at the motel headquarters, with catered meal. We have taken measure to practice the social distancing with mask available and hand sanitizers. We will also offer www.Cowbuyer.com for you to watch and bid online. Another fantastic year for the Sale of Excellence! You don't want to miss this event of high performing Charolais cattle!

Sincerely,

Dennis Adams

SALE INFORMATION

SALE SCHEDULE

Friday, June 19
All cattle arrive and in place, available for viewing all day.
10:00 AM Ladies meet in Hotel Lobby for Shopping trip to downtown Bryan and “dutch-treat” lunch
6:00 PM Catered Meal at the Motel Headquarters

COLLECTION OF CHAROLAIS BANNERS
1968 TO 1973 EDITIONS
DON SCHILL FAMILY

All proceeds donated to the Texas Junior Charolais Association.
Complete, white leather-bound editions of the Charolais Banner from 1968 to December 1973. Our appreciation to the Don Schill Family, owners of the SW&S Cattle Co., Donie, TX for this donation!

SELLING PICK OF ALL SPARROW BRAXTON 519C
SPRING 2020 CALVES FROM AMERICAN SYNDICATION MEMBERS

Not all syndicate members have spring 2020 born bull calves. We will have a complete list before the Sale Day! Please let Outfront Cattle know if you would like a copy of that list before the sale.

Pick of All Sparrow Bull calves born spring 2020, (January 2020 to June 1, 2020) from all the American Syndicate owners listed below. Not all the owners have bull calves born in this time period, but a list of all potential bull calves will be available before the sale. This remarkable Braxton has sired some of the top selling offspring in Canada. He was the high selling bull in 2016 in Canada at $106,000.00. His gestation period appears to be shorter with smaller calves that grow rapidly with tremendous thickness and eye-appeal. His daughters are becoming well known their maternal ability with superb udder quality and volume. The dams of these choices are some of the "Who's Who" in the Charolais industry. This includes the great donor cow, JDJ Ms Cigar B2011 that had a daughter top the 2019 Sale of Excellence at $97,500.00. The Illusion 274 has two super exciting full sibs in the selection. The calf shown in photo is out of a first calf Dutton heifer, calved unassisted with 82 lbs calf. This out-cross offers tremendous and rare opportunity for a forward-thinking operation. Selection must be made by August 1, 2020. Buyer get Full possession, ½ interest, with ¼ interest detained by seller, and ¼ interest goes to all Braxton Syndicate owners. This will get that choice plenty of promotion!

Not all syndicate members have spring 2020 born bull calves. We will have a complete list before the Sale Day! Please let Outfront Cattle know if you would like a copy of that list before the sale.

SULLIVAN CHAROLAIS, ARLITT RANCH, RICK EVANS, ROCKING S RANCH, LITTLE W FARMS, BELLA ANGEL FARMS, AND HOLLOWAY CATTLE CO.
Ms Kincesm D3116, was the high selling lot in the 2019 Sale of Excellence going to Kyle Reaves, TN. She has become a star in her own right with a spectacular Braxton heifer calf. This pair will be on display at the 2020 Appalachian Classic sale where a flush will sell in D3116. She has a gorgeous udder quality, good size, and Kyle describes her as an extremely easy-keeping kind of female, especially with being a first-calf heifer. Her EPDs rank her in the top 15% for WW, 3% YW, 25% Milk, 15% MTL, 20% CW, 7% REA, and top 3% for TSI in the breed. Her sire Kincesm, is an outstanding performance sire and you will be hearing much more about him in the future.

Boy Outlier was the 50th AICA Reserve National Champion Bull and the 2018 Grand Champion in Louisville, the 2019 Grand Champion bull in Denver, the #1 Show bull of the Year. B2011, was the "Pick of DeBruycker Herd" and has become an awesome donor cow averaging over 25 embryos per flush. B2011’s dam is the incomparable donor, JDJ Ms Spur R120, the dam of herdsires, JDJ True-mark, (the sire of BHD Zeus X3041, JDJ Resource Z365 P, and JDJ Duplicity Y420 to just name a few elite genetics. B2011 has become the closest thing to the great donor, CR Miss Duke 172. This combination should be an extremely unique and valuable addition to any program.

Bred A-I on 12/20/19 to JDJ Maximo A18 Pld, (a homozygous Polled sire), Safe in calf. This beautiful designed heifer offers superb size, correctness, and highly feminine with power of volume, depth, and clean, long-necked style. Her sire is also homozygous Polled and is an extremely easy-calving and a tremendous sire of great milking females. A stacked pedigree, her dam is a descendant of the legendary donor, JDJ Ms Dynasty L428!

6A: Pld heifer calf # 43G, born 12/9/19, BW 72, sired by Sparrow Braxton 519C. Bred A-I on 2/21/20 to DC/BHD King F2503 Pld, (another homozygous Polled sire), Safe in calf. A very feminine, stout-made cow, her sharp heifer calf at side shows her elite productive ability. Her maternal granddam, Legend H124, produced a $10,000 Cigar heifer for Double-H in a previous Sale of Excellence sale. More Dynasty influence as well!

Sells bred A-I on 12/20/19 to JDJ Maximo A18 P, Safe in calf. Out of the great donor, Clarice 2809, an elite daughter of JWK Clarice J139 ET. 2809 has proven to be one of the greatest daughters of her dam J139. A Cigar daughter, bred by Arlitt & Evans, out of 2809, was 2nd High selling lot in the 2017 M6 Dispersal Sale at $21,000, going to Shepherd Charolais, IA. This tremendous prospect can add that extra sound genetics to your program.

**RE 34 MS ZEN 865 Sells as Lot 10**

**Sells bred A-I on 12/20/19 to JDJ Maximo A18 P Safe in calf.** If you study the RE Ms Duke 34, you see the same image as in 865, deep-bodied, thick, incredible volume! The Zen daughters are proving to be some of the best broodcows in the breed. Many high selling bulls at DeBruycker’s are out of Zen daughters. They have beautiful udder quality, moderate frame, and great dispositions. This marvelous heifer has all the credentials for success!**

Sells bred A-I on 12/20/19 to BHD Zen X270 P. Here is an interesting reverse of what we saw in lot 10, a Zen bred to Maximo and here a Maximo bred to Zen. These two would be awesome additions to any herd! Maximo bulls are loved by commercial breeders and are usually the “first-picked” out of a bunch. They are very correct, thick, and long bodied. This tremendous heifer is already showing great udder design and superb femininity!

Sells Open, this extra-long-bodied, long necked heifer shows tremendous femininity and style. She would be perfect to add to your spring breeding program. Her dam has been a stalwart producer for Arlitt’s. A great combination of Cigar on Wienk genetics has worked exceptionally well for many years in the breed. A very stout Polled pedigree is also a great added value. A very good disposition and potential for a great calf raiser!

Sells Open, dam is a full sib to JDJ Smokester J1377 P ET. This shows in her top 9% Milk EPD and MTL of top 10%, and top 4% REA for breed comparison EPDs. A beautiful designed heifer, correct, with long, straight back and square hipped, good depth of body, and long clean neck. She will be a great addition to any herd. Just right in age to go into a spring breeding program. Straight DeBruycker genetics from years of development!
**FEMALES**

**14. BARA MS W3071 MAX PRES 65F P**

Sells Open, dam would be a ¾ sib to CJC CEO, a very proven sire at DeBruyckers! Very good EPD numbers with light birth weight make a tremendous package. These Maximo daughters would be a great coup to obtain for a concentrated breeding program. Another long-bodied, straight topped heifer with super square hip structure. You can also evaluate a good udder development for her age. This feminine long-necked heifer is a winner!

**15. BARA MS REAL ASSET 44F P**

Sells Open, this young heifer displays excellent structure and composition. Her dam has been a very productive cow, and traces back to the Y790 cow at DeBruycker’s that produced their herdsire, LHD Establish M826. He was one of the largest bulls ever used there and magnificent in appearance. Asset is impressing breeders with his calving ease and milking ability of his daughters. Asset is a homozygous Polled sire.

**16. BARA MS FARGO 68F P**

Sells Open, ready to breed for a spring program. Her dam is a great milking President daughter tracing to Sullivan’s great muscle sire, BHD Bourbon X123. His calves were tremendously thick and stout. She also traced to a WCR Sir Tradition 066 cow that was a foundation Sullivan cow. This Fargo is loaded with eye-appeal, growth, and correctness. She ranks in top 10% for WW, 15% YW, 5% CW, 25% REA for breed EPD comparisons.

Sells PE from 6/28/19 to 8/19/19 to BRP Zen Max F02 Pld. Another tremendous Equity daughter out of solid donor cow backgrounds. Ms Grid 717 was a featured donor for Rick Hale and produced powerful offspring for him and then later went to Timmber Farms, MS., and is doing a great job for them. E31 has superb EPDs ranking in the top 15% CE, 20% BW, 15% Milk, 25% MTL, 8% CW, and 9% REA, for well balanced numbers & a top pedigree. She is already developing a absolutely gorgeous udder as she nears calving!
An exciting mating for producing award winning show ring genetics. Turton, an AICA National Champion blended with a full sib to one of the greats of the breed, the Denver Champion female that sold for $50,000 after winning the crown, Zsa Zsa, (Thomasswishersweet1764ET). Her donor dam, 8698, has over 77 calves registered with AICA. Build with this foundation of winning genetics!

Asset is a homozygous polled sire and mated to a tremendous producing female will have very enhanced progenies. Asset now has over 241 progenies, used in 34 herds. You will get a chance to see many daughters in this sale for the first time. He is an easier calving, (CE 9.4) sire and his daughters rank high in milking ability, (+18 Milk EPD, top 10%). He had a 795 WWt for 110% ratio against 93 contemps, and a YW of 1425 lbs, 114% ratio, with 92 contemps., and a 39.8 scrotal at year of age.

Marvelous mating of the very proven Grid Maker, a major female producer, and a full sib to M6 Ms E46’s Duke 248, the legendary donor cow for M6, Double-H, and Southern Cattle. Z21 is now owned by Clint Miller, Jacksonville, TX. Z21 has the same great volume, dimensions that her sib, 248, was known for and also has the very feminine, attractive profile of a producing broodcow!
A very elite mating that offers tremendous genetics from a leading sire of Duke 914 and a female that not only produced Full Throttle, but the AICA Trait Leader, M6 Led Weight 609, herdsire for Kyle Reaves. Cash was a calving ease sire used by Double-H out of their great donor cow Miranda, that produced many high selling offspring for them. The Silverboe D1253 produced several top selling bulls for DeBruycker, full sibs to NO4ET.

Breeders who have used President in their program acknowledge his powerful daughters and bulls, a true mark of a great sire. He had a 824 lbs WWt, 125 ratio, with 108 contemporaries, a 1304 lbs YW with 106% ratio, 105 contemporaries. Ms Perfect Mark is out of the $25,000 P-3 Lady Perfect, a many time champion in Canada and a featured donor for several breeders in the U.S. Ali Mark has been a many time AICA Trait leader for Milk & REA.

Sells bred 5/25/20 to HEH Silver Star C200 P ET. An own daughter of the $15,000 RE Ms Duke 745 ET female that topped a previous Sale of Excellence along with her heifer contributing another $2500.00. She descends from the highly successful donor, RE Ms Duke 34 ET, a direct daughter of the incomparable CR Miss Duke 172, the $20,000 Creighton Ranch Dispersal highlight! She ranks in the top 8% CE, 15% BW, 4% Milk and MTL for breed comparison EPDs. Silver Star is out of a "Pick of DeBruycker herd", donor cow BHD Ms Silverlite P232!

45A: Pld heifer calf # 883G, born 11/6/19, bw 85, sired by CJC Mr President T122. Bred A+I on 5/13/20 to CJC Sugar Daddy G1118, M936533. Sugar Daddy was the high selling bull at the 2020 DeBruycker sale at $19,000 going to Canada. This will probably be one of the very first calves out of him. This cow is truly awesome, great udder quality, super sharp heifer calf at side. She is out of a Double-H Donor cow by Curlin, a bull that has sired many high selling daughters the last couple of years. Curlin’s dam K1509 is one of the prettiest Cigar daughters.

Evolution has certainly produced calves with abundant thickness, bone, and growth. You can easily pick his calves out of a group. 4241 is also the dam of Lot 48, and is a very accepted producer of outstanding progeny. She traces to one of M6’s best Big Sky daughters, 7354, with over 30 calves produced. 4241 has calves in herds all over the U.S.

Open heifer, foundation genetics of DeBruycker’s popular Trademark, a bull that sired the top performance carcass cattle at the Western Beef Expo. Dam is out of the full sib to CJC Mr President T122, and 260 has done a great job of sire superior broodcows with perfect udder quality. The one outcross is of Stipe breeding on the bottom but she was a tremendous productive cow with super maternal ability and quality!

She will be bred A-I to Sparrow Braxton 519C before the sale. One of the most powerful Equity daughters to date. This massive heifer excels in shear volume, depth, spring of rib, and width. She has the credentials to become a major influence in any herd! Equity is an extremely easy-calving bull and his daughters are excellent milking females. Notice Bamboo’s great donor cow, M76, it’s no wonder G16’s dam is such a powerful brood cow.

58A: Pld bull calf # 957, born 11/5/19, BW 85, sired by OC Done Deal E203, M911120. Sells bred A1 on 4/2/8/20 to RBM Fargo Y111. Dam 2004 was a selection from DeBruycker by Morley Charolais. She traces to the W180 donor cow that has 47 calves registered with AICA. She was part of M6 Ranch, D&S, and Deer Valley’s ET programs. A son, LHD Fernando Mark Z29, was used heavily in the DeBruycker program and Ray Franz.
Open Heifer, her maternal granddam is the lot 58 cow, 2004. This broody heifer has it all in a complete package of phenotype, numbers, and pedigree. This stylish heifer has a light birth weight associated with the Assertion addition and rapid growth with Slam Dunk and Reward. You admire the correctness structure, overall volume, and natural thickness of this very broody looking prospect!

Sells Open, this line-bred New Standard heifer displays incredible femininity, good bone, and straight top. For numbers she ranks in the top 15% for WW, 7% YW, 15% Milk, 4% MTL, and 3% SC for breed EPDs. In carcass EPDs she also ranks high in CW and REA at top 15% category, 9% Marbling, and 6% TSI. With her light birth weight, growth, pedigree, and numbers this is an ideal selection!

Sells bred A-I on 12/29/19 to CCC WC Resource 417, safe in calf. Another fantastic performance heifer with eye-appeal and numbers. This very thick, deep-bodied power heifer is destined for greatness. She ranks in the top 20% for WW, 15% WV, 25% MTL, 20% for CW, 15% REA, 30% Marb, and 10% TSI for breed EPDs. A stacked pedigree of some of the most influential cattle in Charolais is definitely a positive.

Open Heifer, a daughter of lot 63 and full sib to M6 Law & Order 577, the $19,000 sire of Kyle Reaves. You get the very heart of M6 genetics with this combination of the Nancy and Germaine cow families. This heifer ranks in the top 20% for both WW, YW, and Milk, top 9% MTL, 20% CW, 7% REA, 15% Marb, and 20% for TSI in EPD breed rankings. Breed to your bull and have an awesome pedigree to promote on that calf!

Held Open for flushing, her dam is one of the most powerful mating to come out of the S.E. as a full sister and dam, 2070 Cigar topped the Southern Connection sale going to Bruce Roy. Her dam 331 is now in the Hudspeth and Benton ET program. C331 ranks in the top 5% WW and YW, top 20% Milk, and 4% for MTL and for carcass EPDs ranks in top 25% CW, 15% REA, 5% FAT, and 7% TSI for EPD comparisons. A royal pedigree, numbers, & looks!

Bred A/I on 3/12/20 to M6 Cool Rep 8108 ET, safe in calf. A Maximo daughter out of lot 65 makes this a great addition to the program. She also ranks high in numbers, top 20% WW, 25% YW, 15% Milk, 6% MTL, 10% CW, 15% REA for EPD comparisons. Cool Rep mating will be an exciting addition to this high profiling heifer. 809 has the broody eye-appeal, a big, thick, deep-bodied and straight topped, feminine appearance of winner!

Bred A/I on 1/19/20 to CJC Illusion N111, safe in calf. A full sister sold to Larry Price in the 2015 sale for $7,000.00. 501 is a very smooth, feminine front-end, long-necked cow with extra udder quality and ability. If you’re looking for carcass ability with milk, 501 ranks in top 5% for REA and 1% for FAT EPDs in the breed. The Illusion blend should result in an outstanding thick, performance calf, with extra eye-appeal. Great Pedigree!

7302 excited many breeders to go back and use Full Throttle again as she was uniquely a standout in looks and production. Her dam, M166, was probably one of Doug Shockey’s best cows and always produced a top-end calf. Her dam would have been a paternal sib to CJC Mr President’s dam. You will observe some powerful daughters of Asset in the sale. These embryos sell as is without any guarantee.

**DUE: 9/26/20, recip is a 7-year old black cow, #156R.** This unique mating will be quite interesting with the line-breeding to Cigar. Cigar is one of the bulls that has been line-bred numerous times with great success. X161 is already line-bred Cigar on top and bottom. Few bulls have had the impact in the breed as Cigar. His daughters are usually some of the most sought out genetics in any sale and have topped the National sale numerous times.

*Sells Open,* super attractive daughter of the National Champion out of a Sullivan's donor cow. The Easy Pro adds the great milking ability and extra strong maternal ability. She has the classic great lines of skeletal correctness, strong top, extra length, and smooth balance. She ranks in the top 20% for CE, 8% for BW, and 15% REA for breed EPD comparisons. Line-bred Fire Water and Zsa Zsa for added appeal and consistency.
Sells Open, a very exciting Rushmore daughter out of a featured donor cow of this sale, RE Ms Duke 745. There are 6 daughters of 745 in the sale and you could have a masterful program built around just these top heifers. There are 2 other full sibs to lot 81. Gary Biggs has a bull calf by Rushmore and 745 that he describes as one of the most powerful bull calves he has ever raised.

Sells Open, a full sib to lot 81 and 42. She ranks in the top 1% for CE, 3% for BW, 4% for Milk and MTL for breed EPDs. Just a 69 lbs birth weight justifies her +15.4 CE score! These heifers descend from one of the most favorable females to every go through the ring in the Sale of Excellence, the $15,000 745 that descends from Evans’ great donor cow, RE Ms Duke 34. This shows the value of purchasing great embryos from a spectacular donor cow!!

Sells Open calf born 2/28/20, sired by ACE Lock & Load. A featured female sired by LT Ledger out of the feature Mamie donor family from Double H in MN is sure to catch you eye. This young female will sure enhance carcass traits in any program. Ranking in the top 15% for marbling and CWT as well top 20% for TSI. She also has a coupon which sells with her that is sure to be a highlight.

Safe in calf to RFC Booger Sugar 12D Pld, M88990. Booger is bred by Thomas Ranch, SD, and is a Rhinestone Z38 son out of a Grid Maker x Fasttrack blend. Cow power along with a proven pedigree with carcass all wrapped into one package. A direct daughter of the famous OW Ashlee 0063, which made her mark in the Midwest for producing herd bulls like X-Factor and WC Southern Comfort 8043, that have impacted the breed!
ET Bull calf sells with Angus recip cow PE to Charolais bull. Full sib to lot 89 gives you an opportunity to invest in both, grow them out in your environment and management and select the one you like best or use both to develop a very uniform herd. Same great numbers and you can evaluate the consistency of this mating.
**A Mating of Matings!** This straight DeBruycker pedigree gives you an edge to grow you own bull out under your environment and management. You can wait and pay a large bonus to get this future herdsire at breeding age or invest now! B2011 is writing a marvelous record into the Charolais books, a super producer, averages over 25 embryos per flush, several over 30! King calves are already setting high marks, easy calving, lots of growth! Recip is 7-Year Old black cow, PE to Charolais bull.

This bull would be a full sib to the high selling Bred Heifer, D3116, that topped the 2019 Sale of Excellence at $9750 to Kyle Reaves, TN. D3116 has a fabulous calf, born unassisted, terrific udder, good size and quality and already made it to the donor pen! The Kincsem bull is loaded with meat and size! He ranks in top 6% WW, 1% YW, 4% MTL, 6% CW, 25% REA, and 1% TSI for breed EPDs. B2011 is in top 2% for REA EPDs. This mating has the highest TSI number for all the embryo matings in the sale! Recip is 6-Year old black cow, PE to Charolais bull.

DUE August 2020, Recipient is a black cow. Wow! A maternal sib to JDJ Maximo A18 P sired by the very popular M6 sire, Bells & Whistles, a son of M6! A bull or heifer calf would be a very valuable addition to any herd! These astounding numbers would elevate most herds and be a great breeding and merchandizing tool! This would be like having a “rock-star” leading your herd!
DUE August 2020, Recipient is a black cow. A full sib mating to Lot 95, again, gives you a fantastic choice to move a program to the very top of the chain. Y322 is one of those wonder cows! She actually raised twin bull calves one year that weaned over 650 lbs each. She has a perfect udder, is a big powerful cow with great disposition, sound, correct, and the kind that you would like to have all your cows created in the same image.

Sells bred A-I to DC/BHD King F2503 P. King is a homozygous Polled sire. His first calves are awesome to say the least. FS1760 is a large, performance heifer with tons of volume, natural thickness, and style! He dam was a Pick of the Herd from DeBruycker. Her dam is a paternal sib to BHD Reality T3136 and BHD Sly Illusion T3132. The E197 TW is the dam of Camp Cooley's $21,000 Pick of DeBruycker herd, the JDJ Ms Perfect G166.
Sells Open, ready to flush. DeBruycker will offer to take her to where they transplant, if you wish, for you to flush in their cooler summer environment and where they are familiar with her ET protocol, and ship later in the fall. This powerful matron could also earn the title of “Miss American Beef” as she is a perfectly described Charolais Beef Cow! Big, voluminous, sound, correct, great udder quality, and gentle disposition. She has been a monstrous producer of high quality offspring. Her first appearance was when her son, DC/BHD King F2503 P topped the 2019 DeBruycker Bull Sale at $24,000.00. 13 breeders from across the U.S. syndicated this homozygous polled sire. She has produced 3-natural heifers with indexes of 114%, 99%, and 127%, and a bull at 125% weaning ratios. 5-ET bull calves have sold for $48,250 in 2019, DeBruycker’s have kept 5 full sib heifers in the herd. She has produced 18 ET calves in the fall of 2019 sired by DC/JDJ Pegasus D3330, 10-bulls and 8-heifers. Isn’t it about time for you to own one of the greatest cows in the Charolais breed? Team up if you need to, but go home with this powerful addition to your herd. Ms. Cobalt will not be at the sale but will be delivered free of charge to a central location anywhere in the continental U.S. (Satisfaction is guaranteed) Ms. Cobalt Z767 evolves from the largest Charolais herd in the world and has surpassed most all in that herd!
Will be selling in 2-groups of 5 or winning bid can take all 10. This is a one-time only offer in 2020. This elite sire has more than proved his ability in siring superior calves in just his first crop. They have been described as very uniform and consistent. They have been in good, narrow range of birth weights, and have been used in 13 herds located all over the U.S. He is homozygous Polled and 50K tested. Semen to be shipped from Bovine Elite.
SEE YOU IN TEXAS!
