Dear Cattlemen and Cattlewomen:

I am very excited that Mr. Bruce Roy gave Bob Morton and myself, Frankie Anthony, the opportunity to offer you this selection of young cows. Bruce has spent the last twenty years purchasing and breeding the Cigar and 914 cross. Both pedigrees can be found at least once in most of the animals he is offering. If you ask him why, he will tell you when he started, 914 and Cigar progeny topped most sales and if you saw those animals you knew why. When I had my first sale 15 years ago Bruce told me "if you have a really good 914 or Cigar daughter call me". Bruce watched almost every sale across the country and bought the top progeny of these 2 great sires. Due to his pecan business and the loss of a leased farm, he is offering 20 select breeding age bulls and his young females, five-year-old cows and younger, at this sale. This offering will include almost 60 pairs/splits, a few older cows, and a flush and 2 progeny out of OHF Lady K904, a premier daughter of Cigar E46 and 914.

Bruce has worked hard to put these pedigrees together and is giving you a once in a lifetime opportunity to buy some of the best young animals on the market. His efforts are evident in one of my favorite Bruce Roy stories. Bruce told me about the time he was at Robert Summerfords. Robert told him to get in the car and come look at this cow he owned, she was the dam of Polled Value (LT Unlimited Maid). Bruce saw this cow and told Robert flush her to 914 and send him the best bull no matter the cost. That is the way Bruce has built one of the best herds in America. Bruce got BJR Unlimited Duke 964 ET out of that deal and many of his daughters are in this sale.

We are also very fortunate to have 5 guest consignors adding another 26 quality females and some embryos and progeny out of one of the most popular young donors in the breed. That young donor, only 5 years old, from Rolling Hills Charolais has already sold over \$55,000 in embryos. Bob went to C & R Charolais and selected 7 of Ricky's top animals and we appreciate him allowing us to sell them. Kyle Reaves has sold many cows to Bruce over the years and has given us some great consignments. The Condras are sending 5 of their select open heifers and Morris Orr has been supplying quality Charolais cattle to breeders for years, these are some of his best. So, don't only look at Bruce's cattle, take a look at the quality these consignors are bringing, also. Please attend if you get a chance, if you have any questions give Bob or myself a call.

Thank you,  
*Frankie Anthony*
