SELLING 70 CHAROLAIS BULLS • MARCH 1 IN COURTLAND, KANSAS AT 1 P.M.  
OFFERING 50 YEARLING BULLS AND 20 18-MONTH-OLD BULLS

### CCC RED KINGDOM 0039 P ET

**MILESTONE X RUSHMORE—BLUE VALUE**

**BW 84 | AWW 907**

The greatest compliment we can give this bull is that he looks like Mescalito — only a half frame score bigger with a shot more performance. Judging teams from across the country have commented how unique of a creature he is with his natural width, density, and quality traveling on a square flexible foundation.

*Selling 1/2 semen interest and full possession.*

The saying "nuts, butts, and guts" is exactly what this bull is. He is backed by a tremendously productive cow that has produced a \$24,000 half-interest heifer and a full brother to Honey Badger that commanded \$28,000 for half interest. There's no guessing in this powerhouse. *Retaining 1/3 semen interest.*

He is the result of 8113's first calf crop, and it didn't disappoint. There's true power, shape, width and dimension in this prospect. We feel that he's awful special being the only February bull we drag to OKC, as the rest are January borns. *Retaining 1/3 semen interest.*

He has had the herd bull look since before weaning. He's one that knows he's good and like showing off. Extremely proportional from the side while still having square hard feet, extra mass and a big pin set. Offers added value in his mating flexibility. *Retaining 1/3 semen interest.*

Many of today's popular sires were born in 2014. Resource leads the way in total registered progeny (1573 as of print time,) and 0029 would be an example of why. They are solid stock that perform and are productive. 0029 is also backed by two breed greats, Ledger and 7M on the bottom side. *Retaining 1/3 semen interest.*

# CCC MAHOMES 0031 P

**INCEPTION X REDEMPTION FULL SIB**

**BW 78 | AWW 915**

This creature gets us fired up! Typically your heaviest weaning weight bull doesn't possess the balance, quality, and presence of 0031. He combines two powerhouse parents that look good. We look forward to him doing big things for us.
