Evelyn Gay Lawton Duhon

"We all come from the past, and ought to know what went into our making, and to know that all life is a braided cord of humanity, stretching up from a long time gone." - Russel Baker, The Lawton Ranch – A Grand Legacy.

This quote holds a much larger meaning that guides one's mind to ponder what makes us who we are. There is not much to question when it comes to figuring out what the late Mrs. Evelyn Gay Lawton Duhon was made of. The legend of her family and the life that she led are clear answers to her character and the story she left behind.

Dating back to 1930, her grandfather J.A. "Pally" Lawton founded Lawton Ranch, alongside their demanding rice farm and notable quarter horse herd. Pally started relatively small with a purchase of two hundred head of commercial cattle, then buying

into a small herd of registered Brahman cattle. Along with this, there were 100 head of Brahman cattle handpicked to begin a "show string".

Pally went on to be one of the first of five pioneer Charolais breeders in the United States. He introduced Charolais cattle to Southwest Louisiana in the early 1940's with his purchase of Quetzel, 1939 Mexico City Champion Bull. These were the first steps taken toward building what is now the revolutionary Lawton Ranch.

Evelyn Gay came from a long "braided cord" of hard work, perseverance, and selflessness. When it came time for her to take the reins, she knew what it would take to continue growing her family's legacy. By the nineties, she had regenerated "J.A. Lawton & Sons" herd into today's JVS Cattle Company.

Her grandfather's original "show string" would have a significant impact on Evelyn Gay as she continued to build JVS. Because of these fond memories, she would soon find her way to Charolais shows and events across the country.

The JVS show string acquired numerous accolades, including multiple Top 10 American-International Charolais Association (AICA) Show Bulls, Sires, Females, and Dams of the Year. JVS Cattle Company also established five Roll of Excellence (ROE) Sires including their walking herd sire, BJCF Bar J Y66. Her National Champion Bull, GJL Ruidoso 3082, became a staple memory for her and many others involved with his winnings.

"Rod Smith (her son-in-law) and I both told her she should sell him, but she didn't, and he just got better and better throughout the summer. That was the thrill of a lifetime for her—National Champion Bull!" - Larry Ludeke, owner of Bar J Livestock.

With family and close friends in tow, she was always willing to travel and socialize wherever Charolais cattle were found. Not only had Mrs. Evelyn Gay distinguished herself and JVS Cattle Company across the United States, but she was well recognized amongst Charolais breeders worldwide. Due to her attendance to the World Charolais Congress in France and Mexico, her interest in seedstock genetics grew.

It could be said that her love for the Charolais breed grew due to her involvement from an early age, but even in her later years, she was as involved as ever. Evelyn Gay made sure to play a large hand when it came to giving back. This is felt in her numerous donations and contributions, but primarily through The Russell W. Ludeke – Harold Christopher Truax II Memorial Award.

"It is a scholarship that awards applicants entering the veterinary or medical profession and they must be or have relation to an American-International Charolais Association member. This was just one of many things that Mrs. Evelyn Gay did to help the young people involved in this breed." - Alan & Samantha Leifeste, Leifeste Cattle Services

Evelyn Gay loved the Charolais breed and the people in it, especially the junior members. Since 2013, she has taken part in donating meals for the National Show and Sale, purchasing artwork and other auction items, joining syndicates to raise money for donation heifers, and even purchasing the ACF Donation Heifer at the 2021 Cattlemen's Congress 42nd National Sale for her first born granddaughter, Scarlett. However, her impact was much more than monetary, it is one that will remain in everyone's hearts forever.

Mrs. Evelyn Gay Lawton Duhon passed away on March 12, 2021. Her legacy touched many lives across the world. Endless generosity and genuine care for others are just a few traits that went into making her the pioneer she became. A woman with grit, tenacity, and passion will not be forgotten.

"Why do you love the Charolais breed?"

"Because of people like Mrs. Evelyn Gay. I hope to be a special Charolais raiser like a special lady named Evelyn Gay Lawton Duhon."

– Landree Leifeste, 9-year-old AIJCA member.
